Willie the Wildcat

WILD TIMES WITH WILLIE

"It's always a great day to be a Wildcat."

Male
Kennedale
Texas

About me:

Hi my name is Willie the Wildcat, but you can just call me Willie for short. I enjoy football, basketball, soccer and of course extravagant dancing. My hobbies include devising skits where everyone in the audience can dance along and entertaining the crowd at numerous games throughout the season. My main goal this year is to inspire our fans and teams to believe they can win.

Music: Cha-cha slide.

Who I'd like to meet:

I am always up to meeting new people. Anyone who is a fan of the outstanding Kennedale Wildcats is a friend of mine.

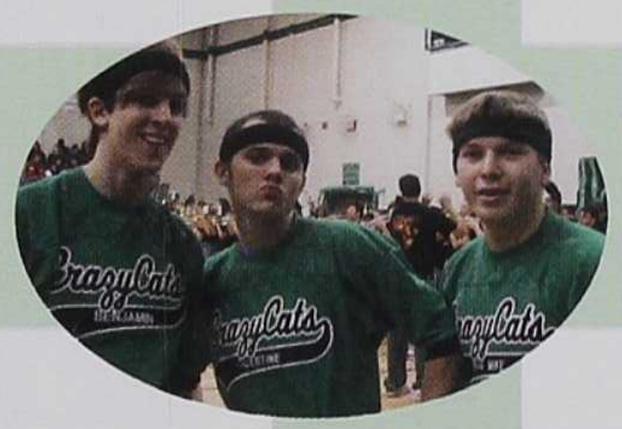
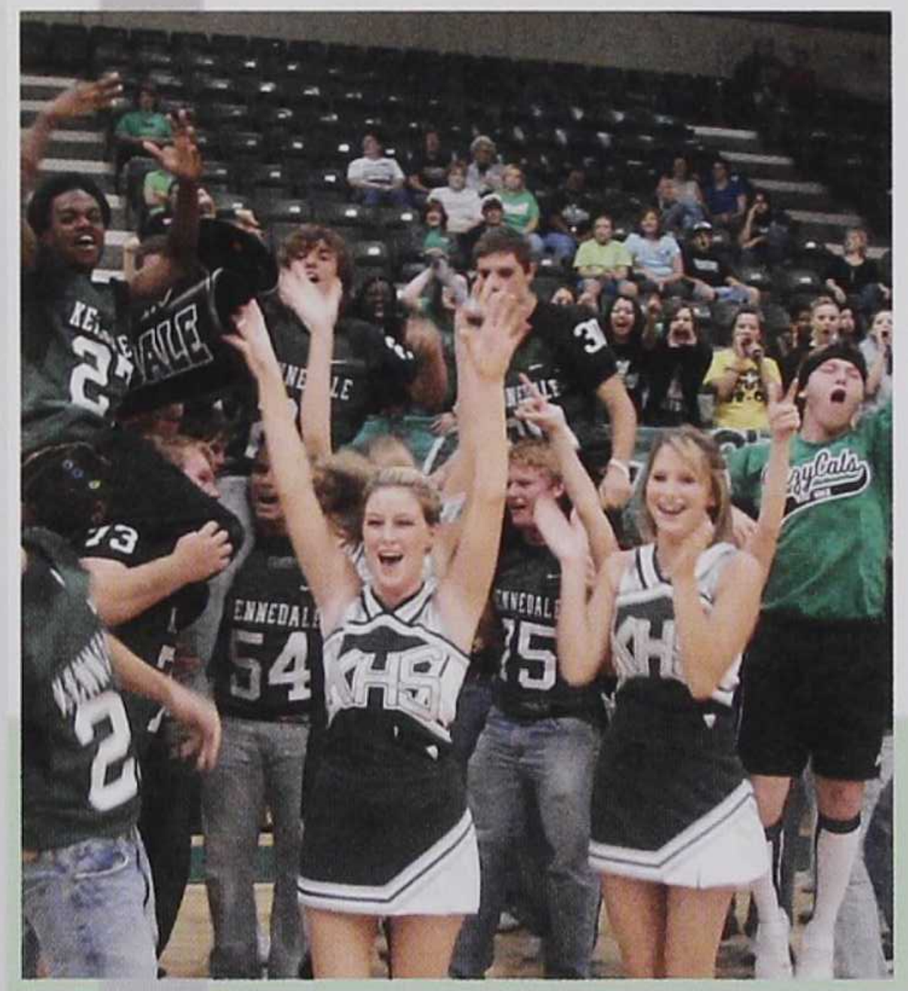
SCHOOL SPIRIT

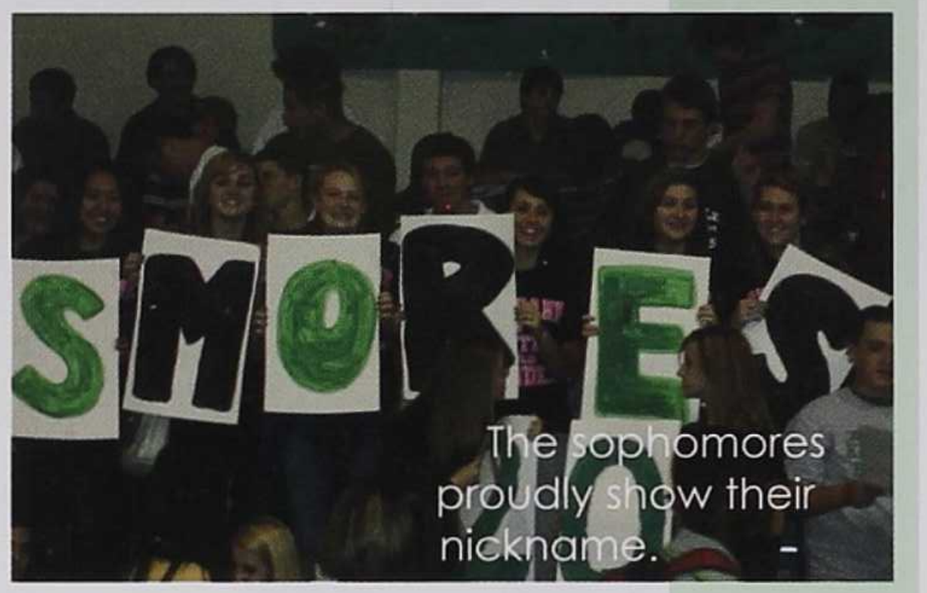
Pep-Rallie's bring out the Wildcat Spirit in all of us. "Planning Pep-Rallies is stressful but it's worth it to see all the school spirit," says Junior Victoria Pearce. From the cheerleaders dance to the Battle Cry to the Alma Mater, Kennedale High School would not be the same without the school spirit.



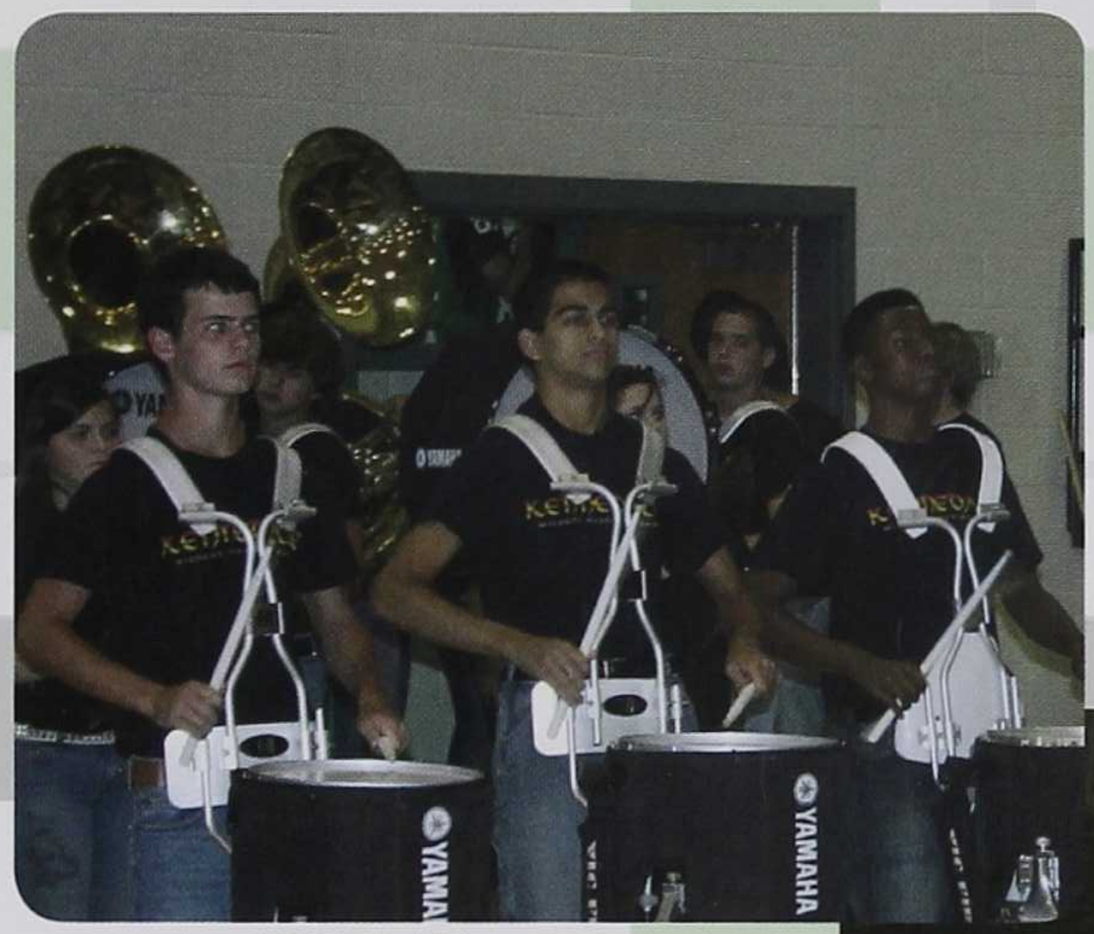


LEFT: The Crazy Cats, made up of Seniors Ben Taylor, Valen Thomas, and Mike Reed, always electrify our Pep Rallies!

ABOVE: The senior cheerleaders and the football team scream their senior battle cry loud and clear for everyone to hear.



The sophomores proudly show their nickname. -



ABOVE: This year's KHS drum line is one of the best we have ever had. They took us all the way to state!

LEFT: Willie the Wildcat dances at the homecoming pep rally to the infamous "Cha Cha Slide"

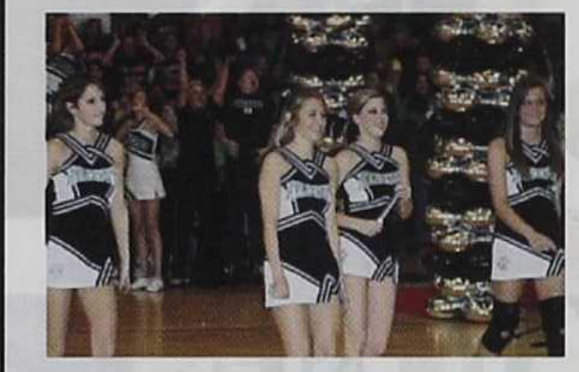
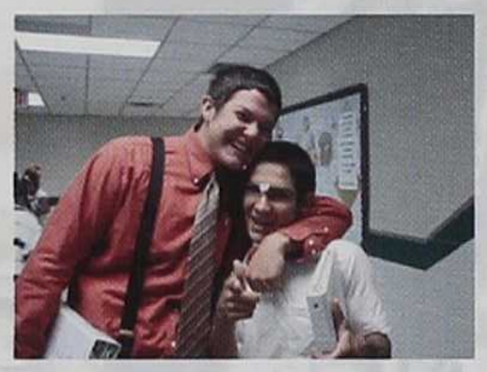
SPIRIT WEEK

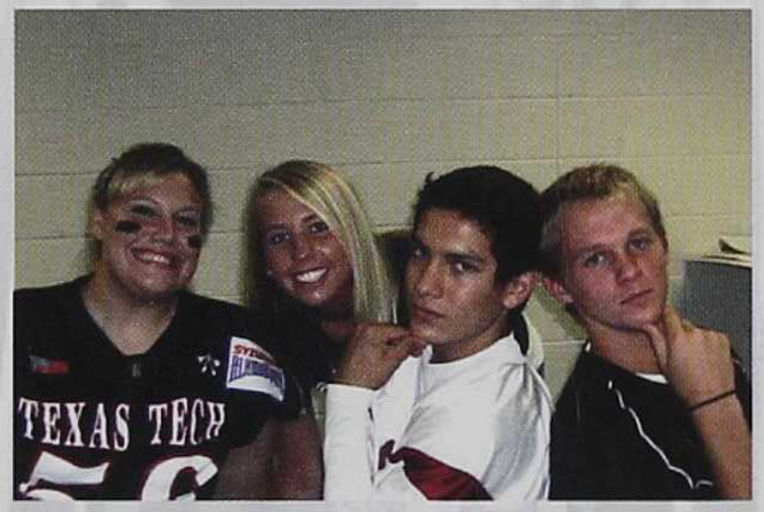
LEFT: Senior Cody Ostrout tells us: "Last night, I was lying in bed, and I dreamt that we were beating Alverado 14-7 and then I woke up and I was sad. 'Cause I know we're gonna beat them better than that!"

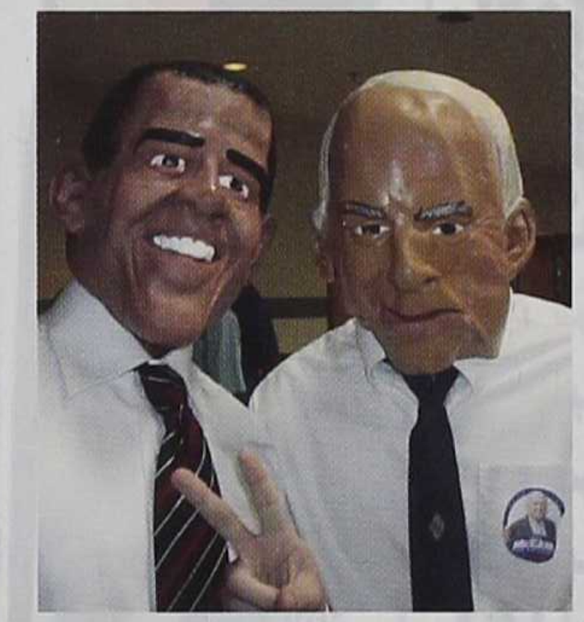


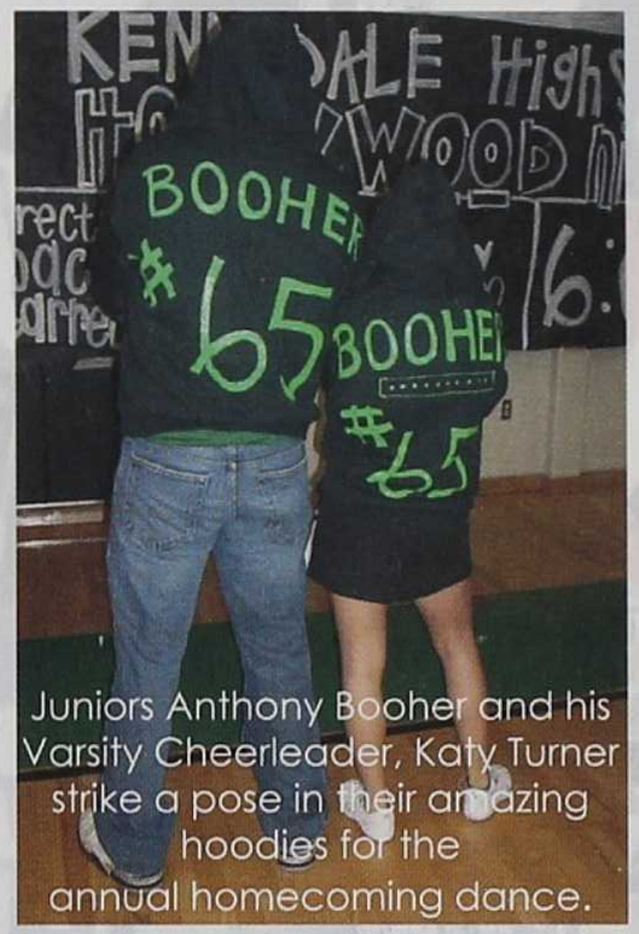


It's a great year to be a Wildcat! The 2008 Kennedale High School Spirit Week was unlike anything we've seen since the Standardized Dress Code has been enforced. With Tuesday as Nerd Day, Wednesday as Career Day, Thursday as Jersey Day and Friday as Spirit Day. We've never seen so many people join together to show their spirit!

Juniors Nathan Degen, Burgandi Johnston, and Wesley Roberson strike a pose with senior Breanna Fleeman in their sixth period pre-cal class on Jersey Day.







Juniors Anthony Booher and his Varsity Cheerleader, Katy Turner strike a pose in their amazing hoodies for the annual homecoming dance.

Freshman Regan Hunt expresses her wish to be on a chain gang on Career Day!

Senior Nominees

With 1.7 seconds left kicker, Zane Guadagnolo, kicked a winning field goal breaking the tie and giving Kennedale a Homecoming Victory. Both the Homecoming game and court were unlike any we've seen as of yet.

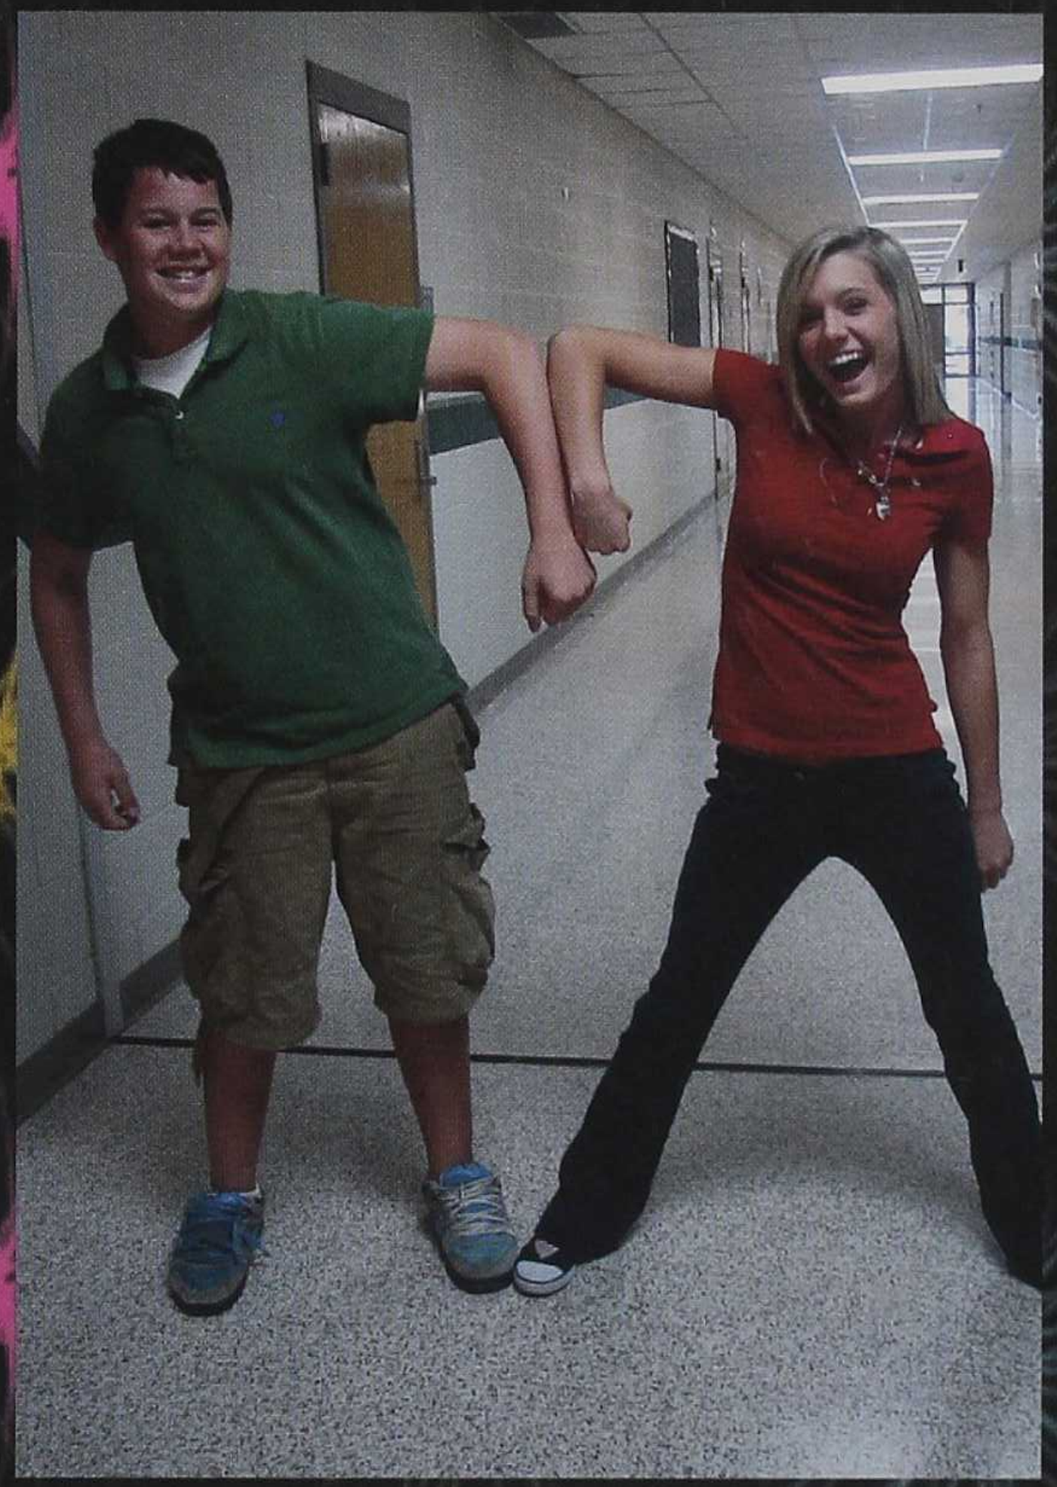
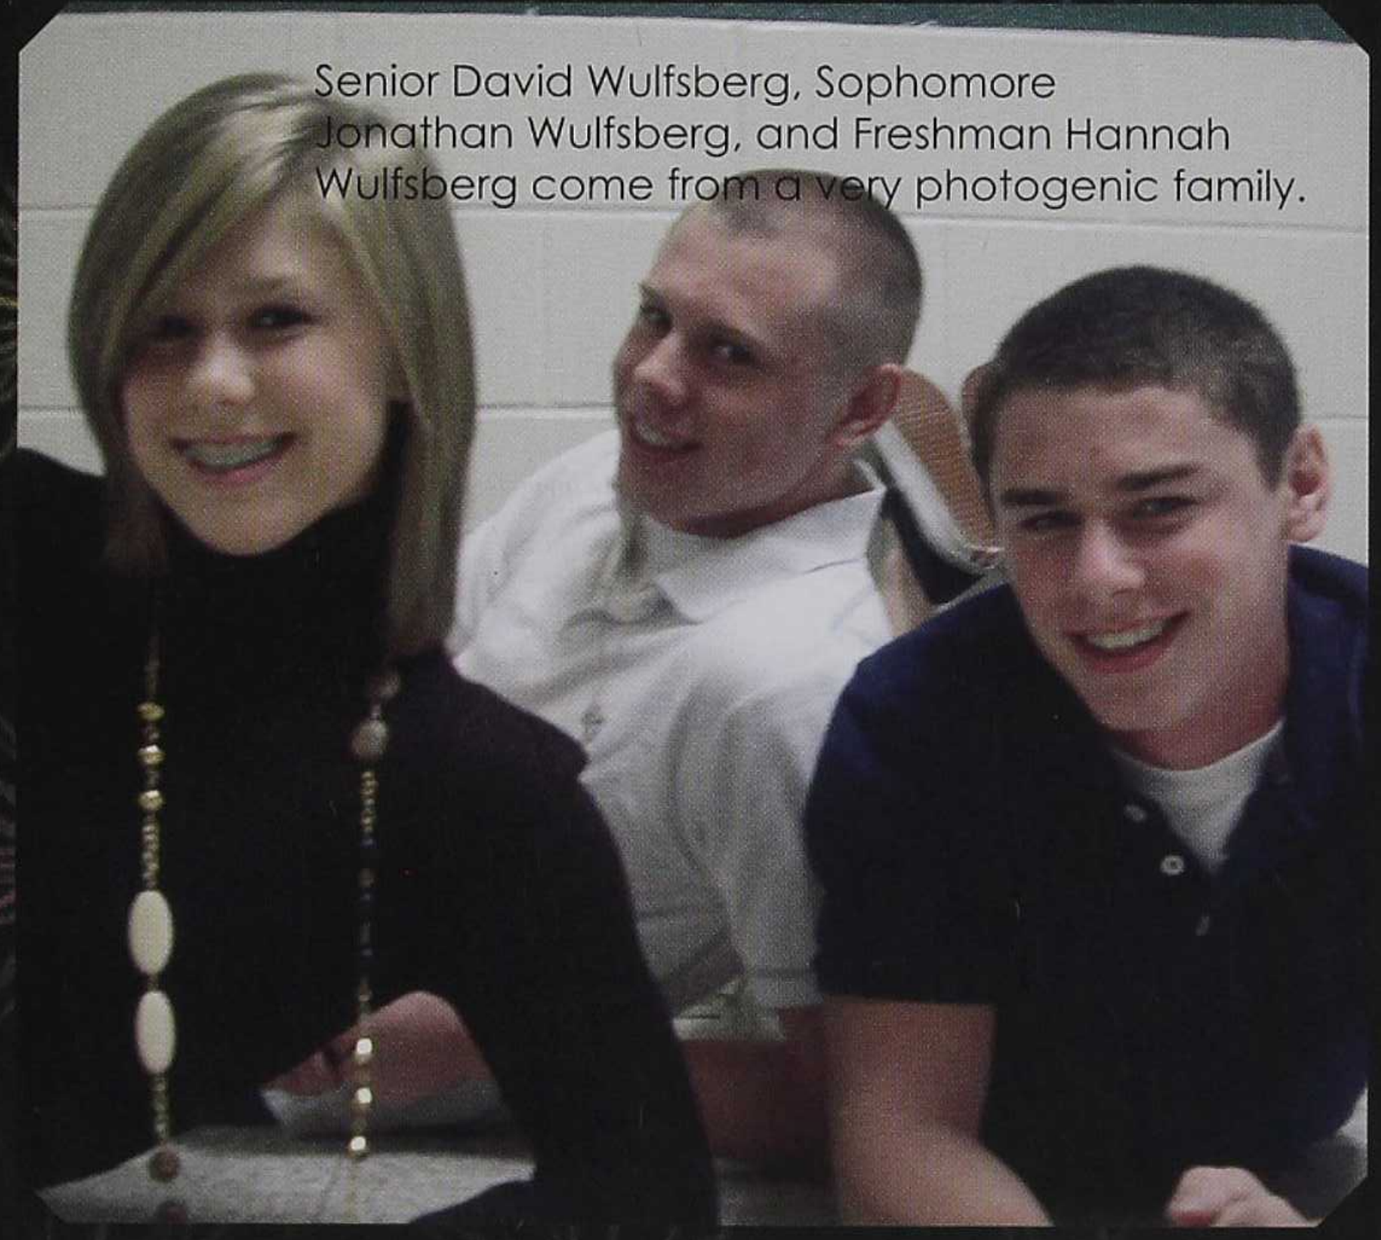
FAMILY

Can't live with them, can't live without them. They are there through thick or thin. You may annoy each other to no end, but at the end of the day, you can always count on your family.

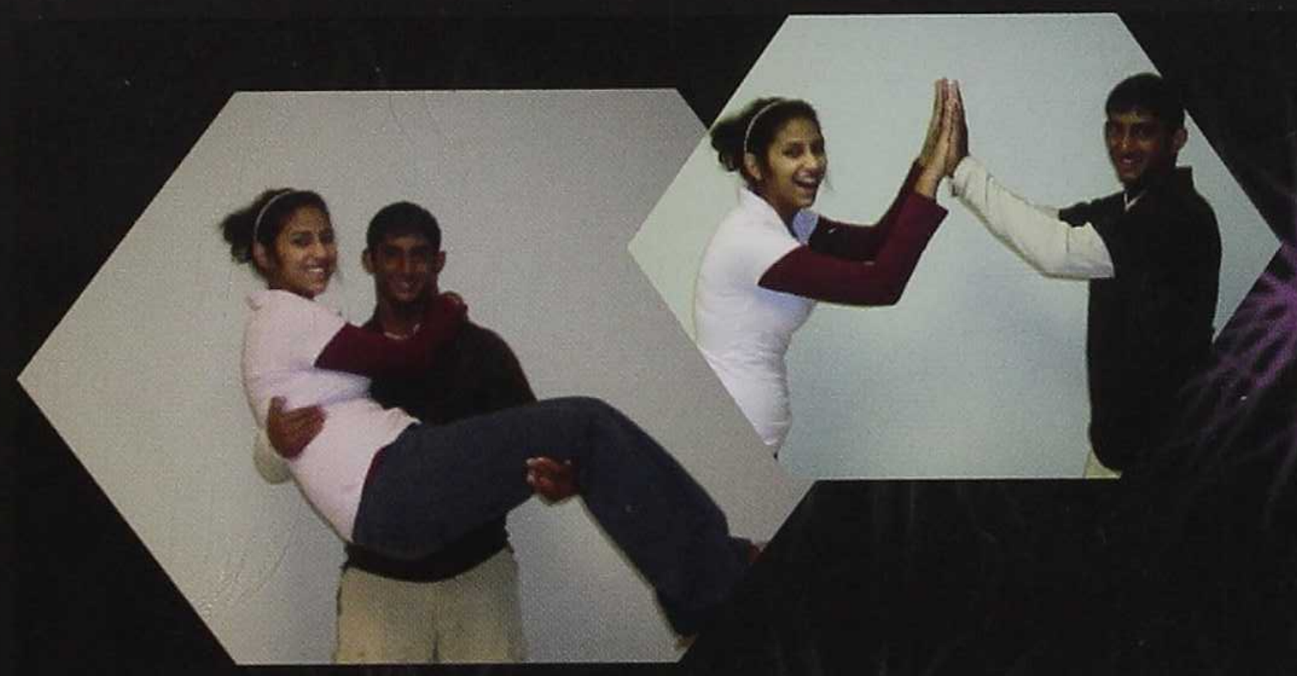
TOP: Senior Rich Patterson give his sister, Freshman Kaycee Patterson, a ride on his back.

RIGHT: Junior Sami and Freshman Travis White make a heart to show their love for each other.



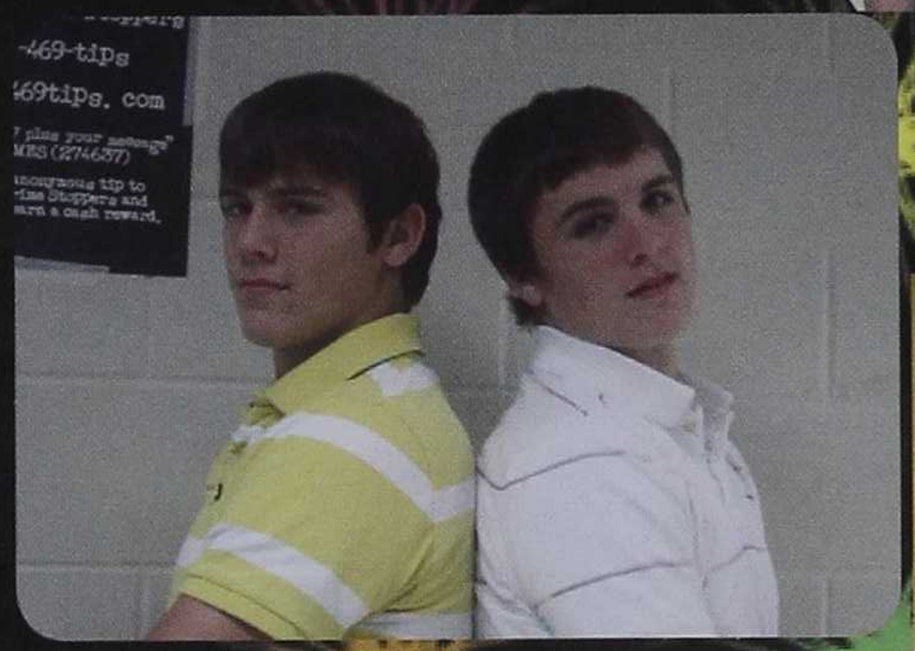


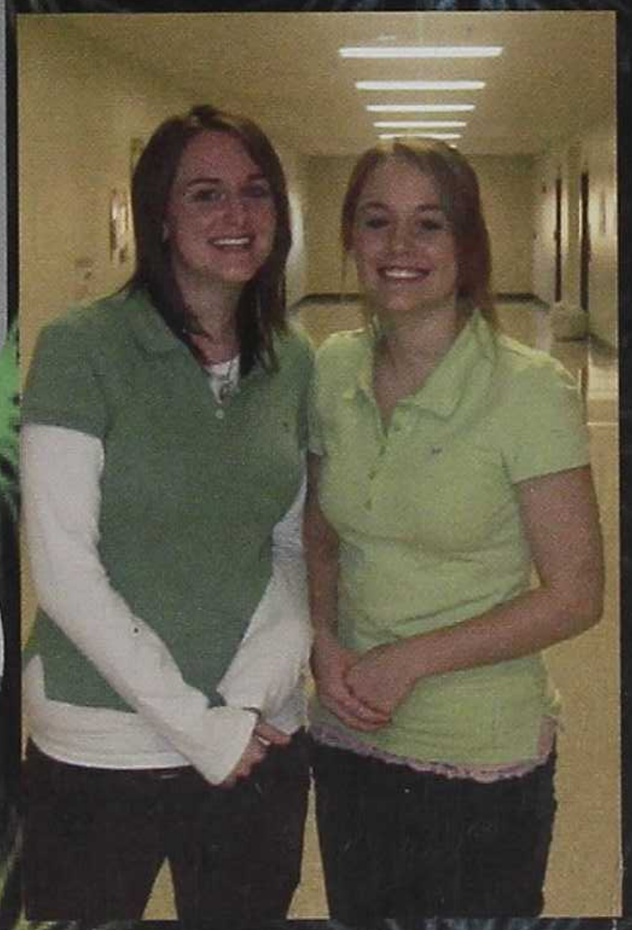
Senior David Wulfsberg, Sophomore Jonathan Wulfsberg, and Freshman Hannah Wulfsberg come from a very photogenic family.

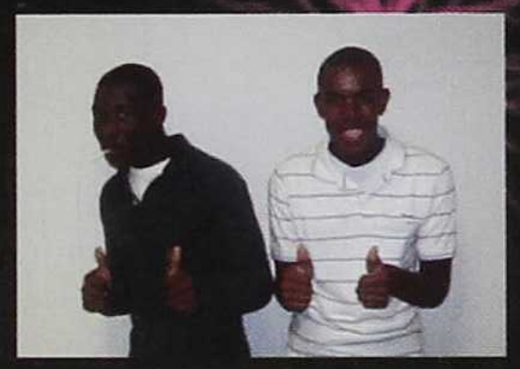


LEFT; Freshman Tia Angadicheril can't stop laughing as her and brother, Tino, a Junior, play around.

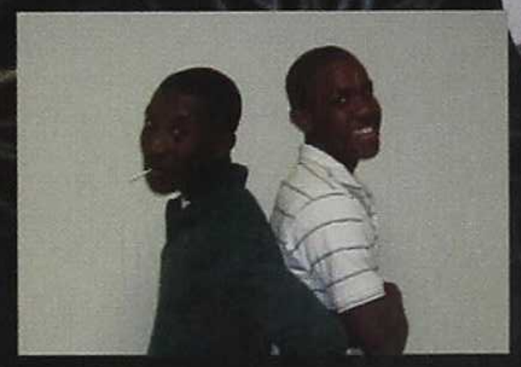
BELOW: Fraternal twins, Juniors Anthony and Evan Booher strike a manly pose.

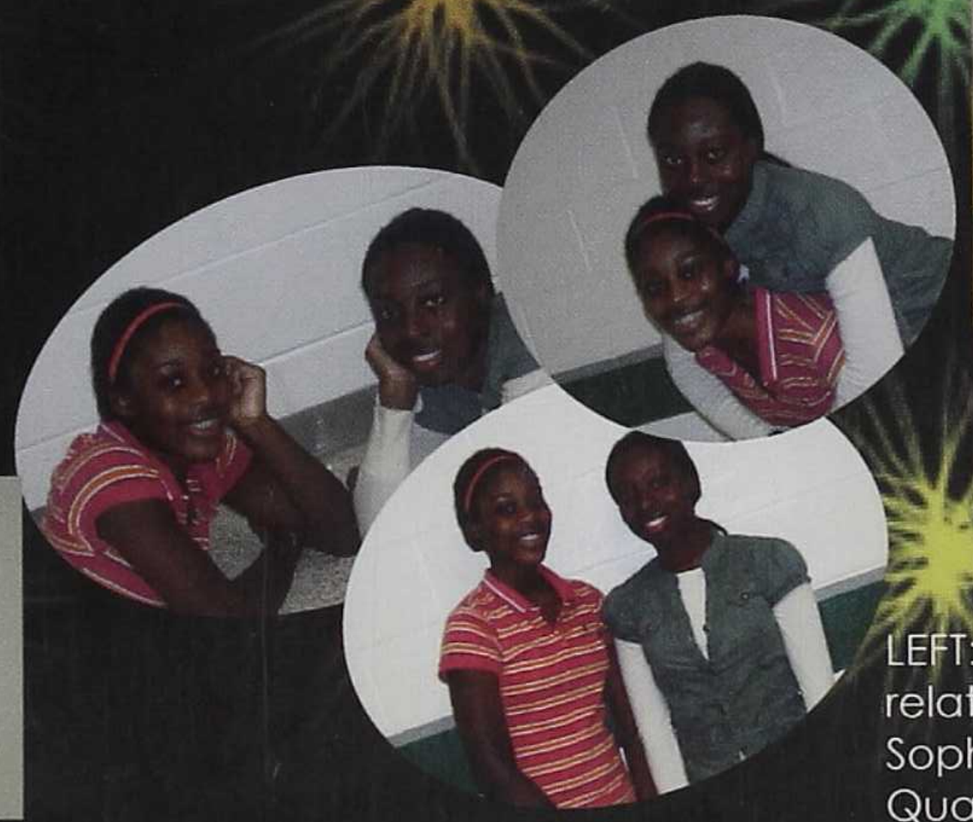






ABOVE: Freshman Nicole Degen smiles at the camera, while her brothers, Juniors Nathan Degen and Chris Degen make funny faces.





LEFT: "It's a love, hate relationship," says Sophomore Beryl Quaye about her sister, Senior Barbara Quaye.

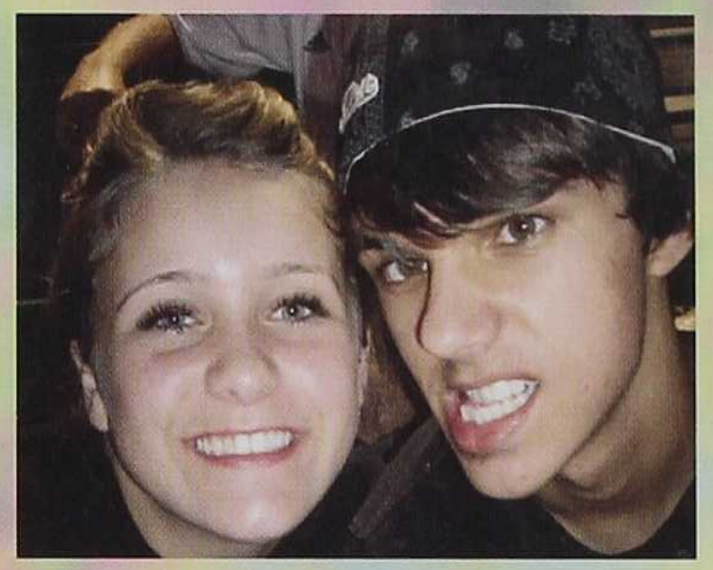
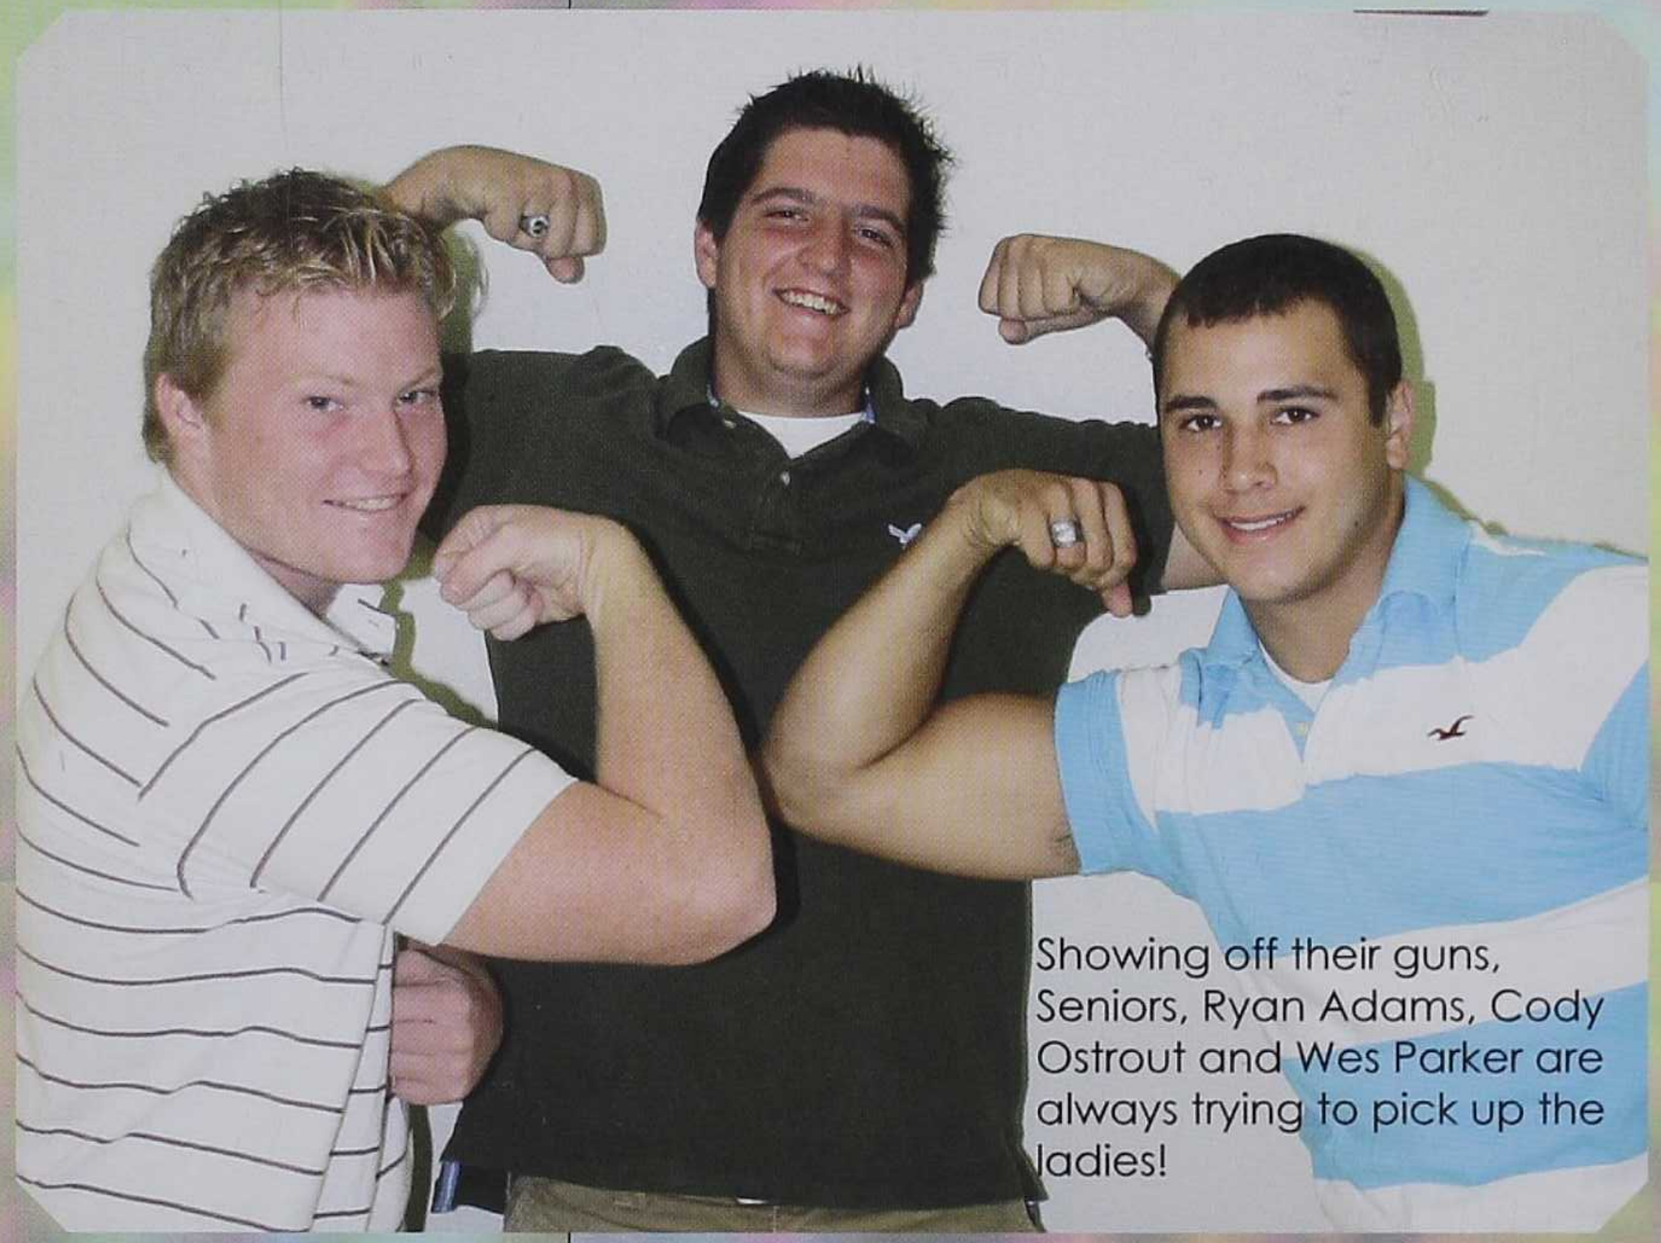
Best Friends

"Without friends no one would choose to live," states Aristotle. Friends at KHS are abundant, but with 900 plus students at our school, we could only choose a few. Some have been friends for 13 years, while others may have just met over the summer. Some are football players, and others are just plain nerds.

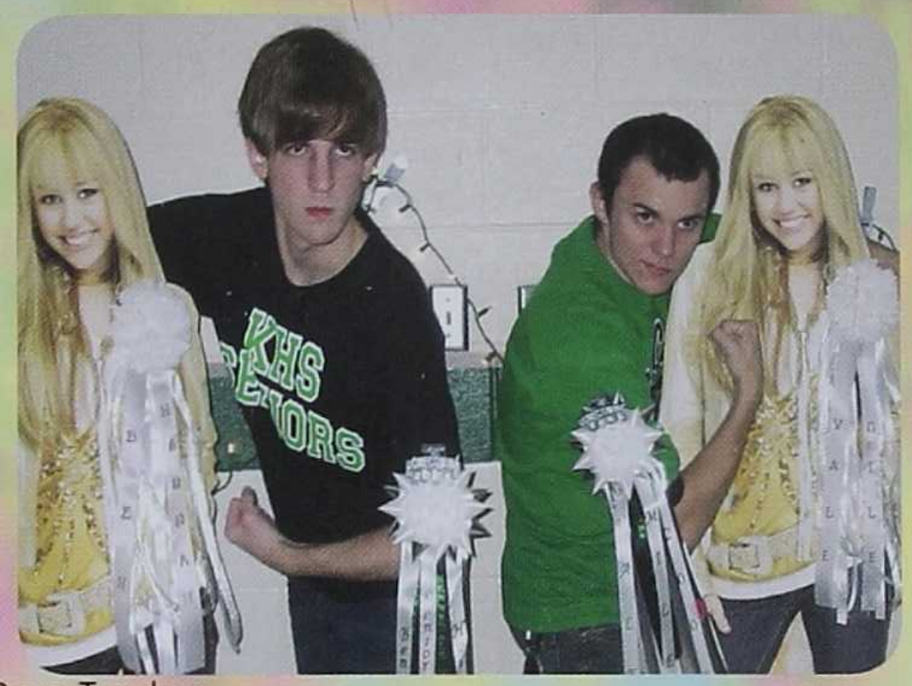


ABOVE: Juniors Kate Cassell and Jackson Woodside have been best friends since sixth grade and have had each others back all the way to high school.

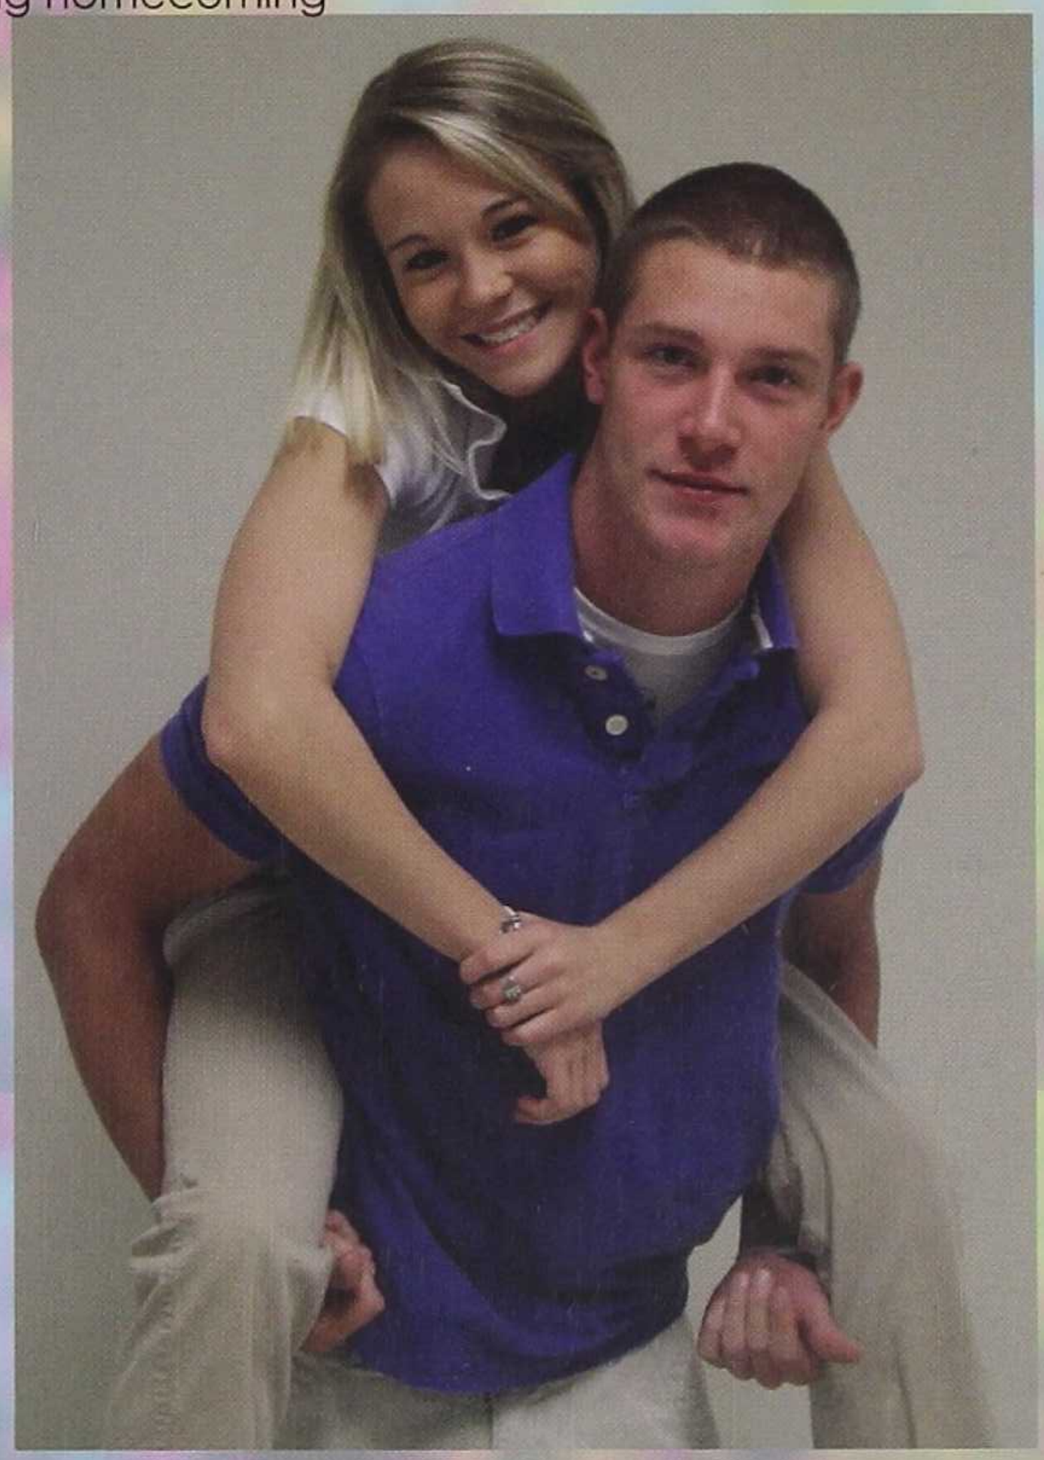
LEFT: Senior Stacia Newton, Junior Burgandi Johnston, and Sophmores Tim Brestowski and Ben Anderson strike a friendly pose on Nerd Day.



Showing off their guns, Seniors, Ryan Adams, Cody Ostrout and Wes Parker are always trying to pick up the ladies!



TOP RIGHT: Seniors Ben Taylor and Valen Thomas pose with their matching homecoming dates.



ABOVE: Juniors Allie Esquivel and Nikki Funderburk have a blast sneaking around the hallways!

LEFT: Seniors Aaron Wingfield, Steven Sanders, and Kasey Reed, act tough for the camera.

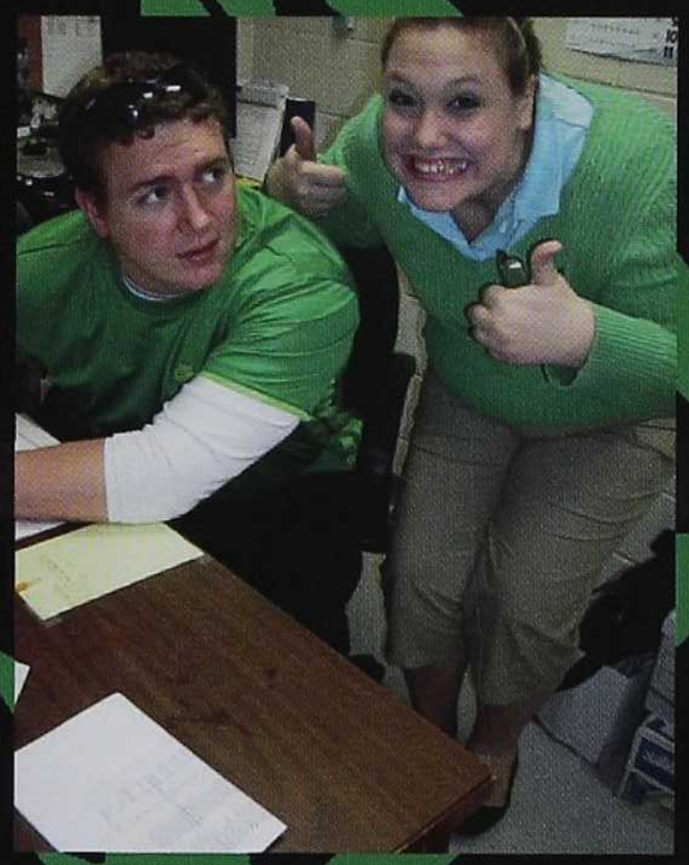
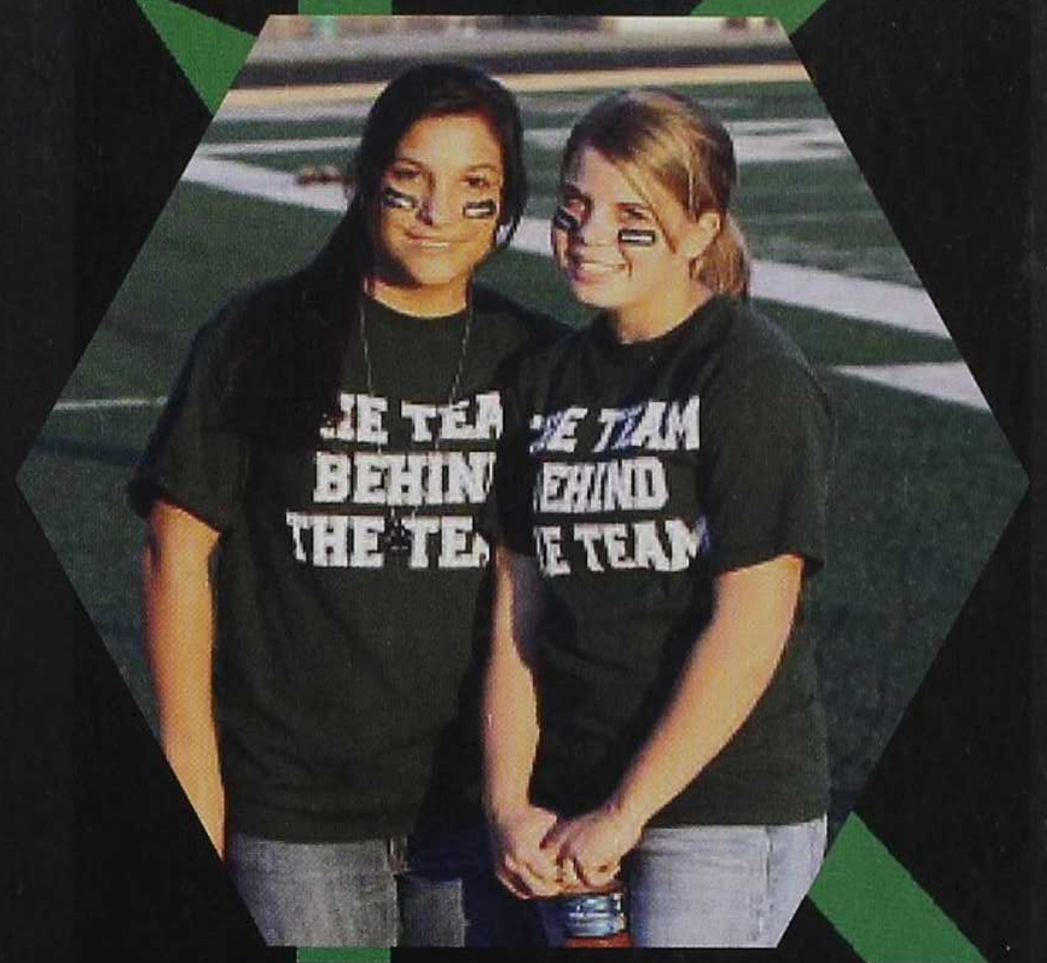
The Team Behind the Team

Trainers

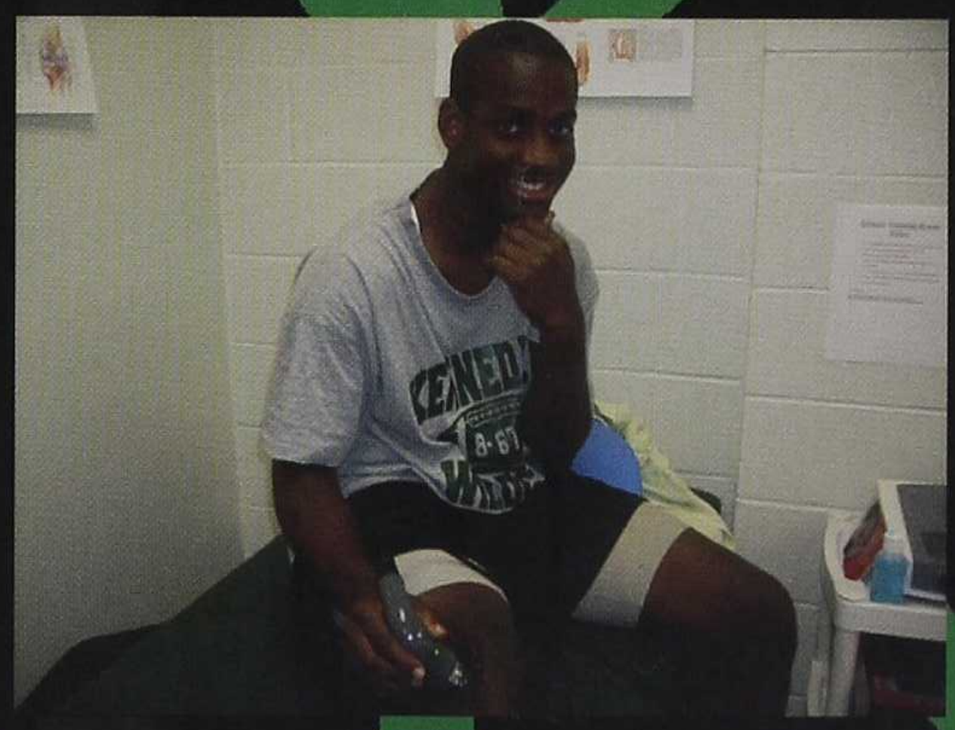
A new season, a new set of trainers, ball boys, filmers, and managers. Without the trainers, our head trainer, Coach Stevenson, would be lost. Thirsty? Need some tape on that turf burn? Requiring an ice bath for sore muscles? The trainers are there for you without a complaint. They truly are the team behind the team.





BELOW: Junior Kwame Asare-Bediako waits patiently for a qualified trainer.

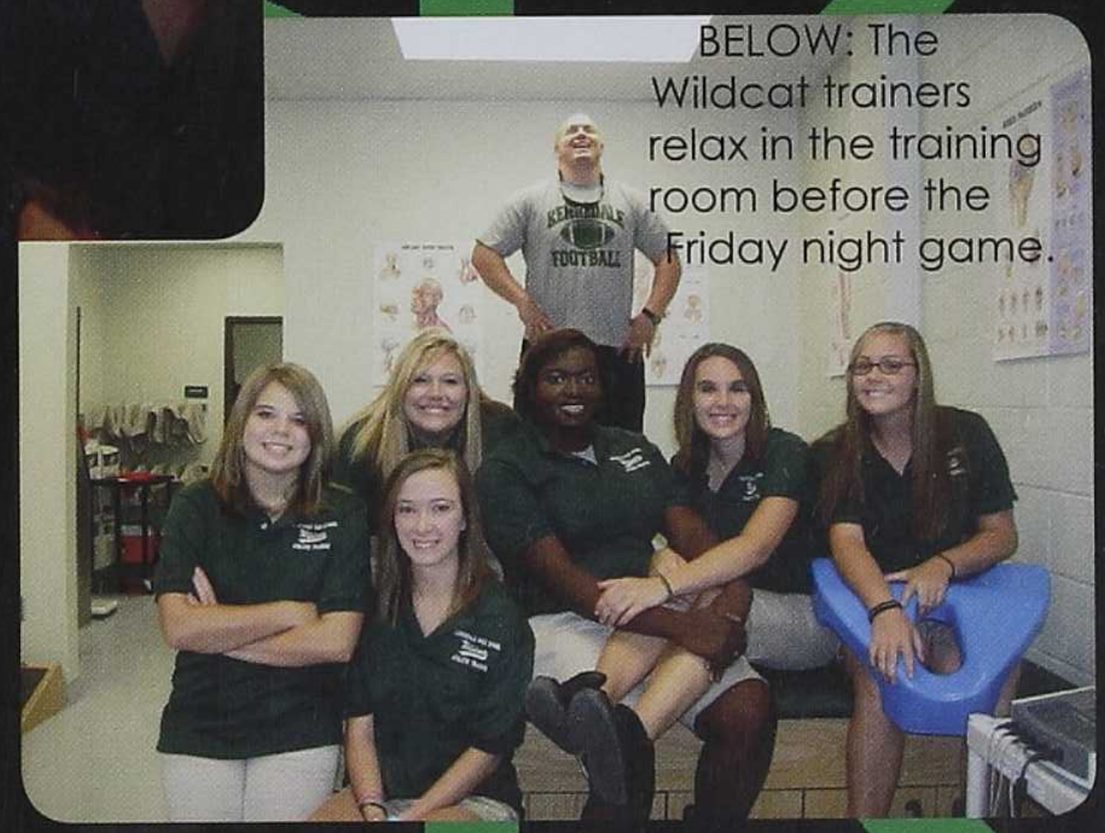
ABOVE: Freshman Nicole Degen and Sophomore Taylor Irby take a break from setting up the medical equipment to pose for a picture.



ABOVE: (From left to right) Freshman Amanda Craig, Junior Abby Carpenter, Junior Kandice Davis, Freshman Nicole Degen, Junior Burgandi Johnston, and Sophomore Taylor Irby smile big for the Wildcat win!

ABOVE: Junior Burgandi Johnston, Junior Kandice Davis, and Sophomore Jordan Galloway take a quick pause from their jobs to take a picture.

LEFT: Coach Stevenson, Junior Abbey Carpenter, and Freshman Amanda Craig find a way to take a picture during a game .



BELOW: The Wildcat trainers relax in the training room before the Friday night game.

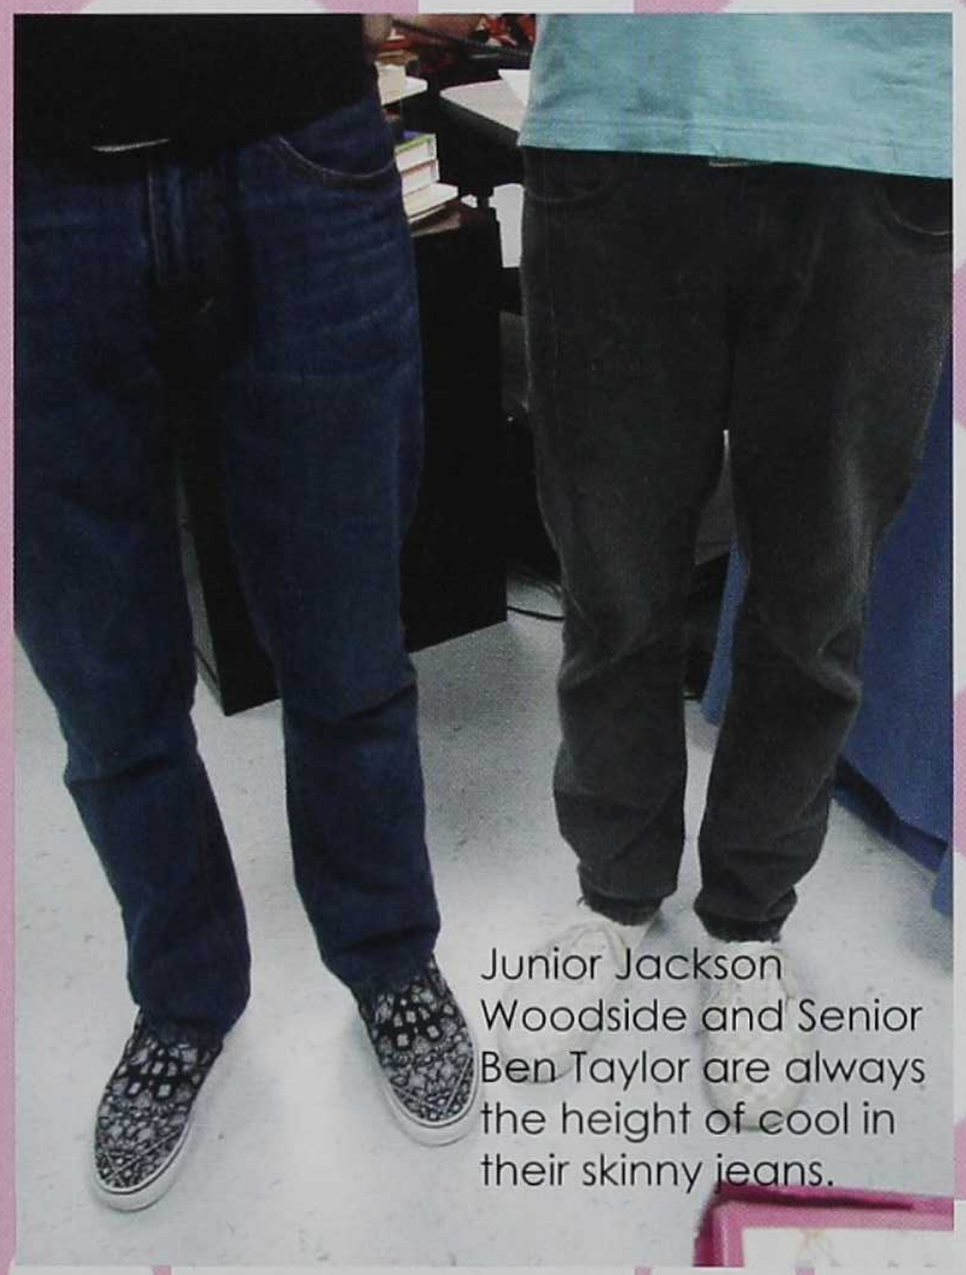
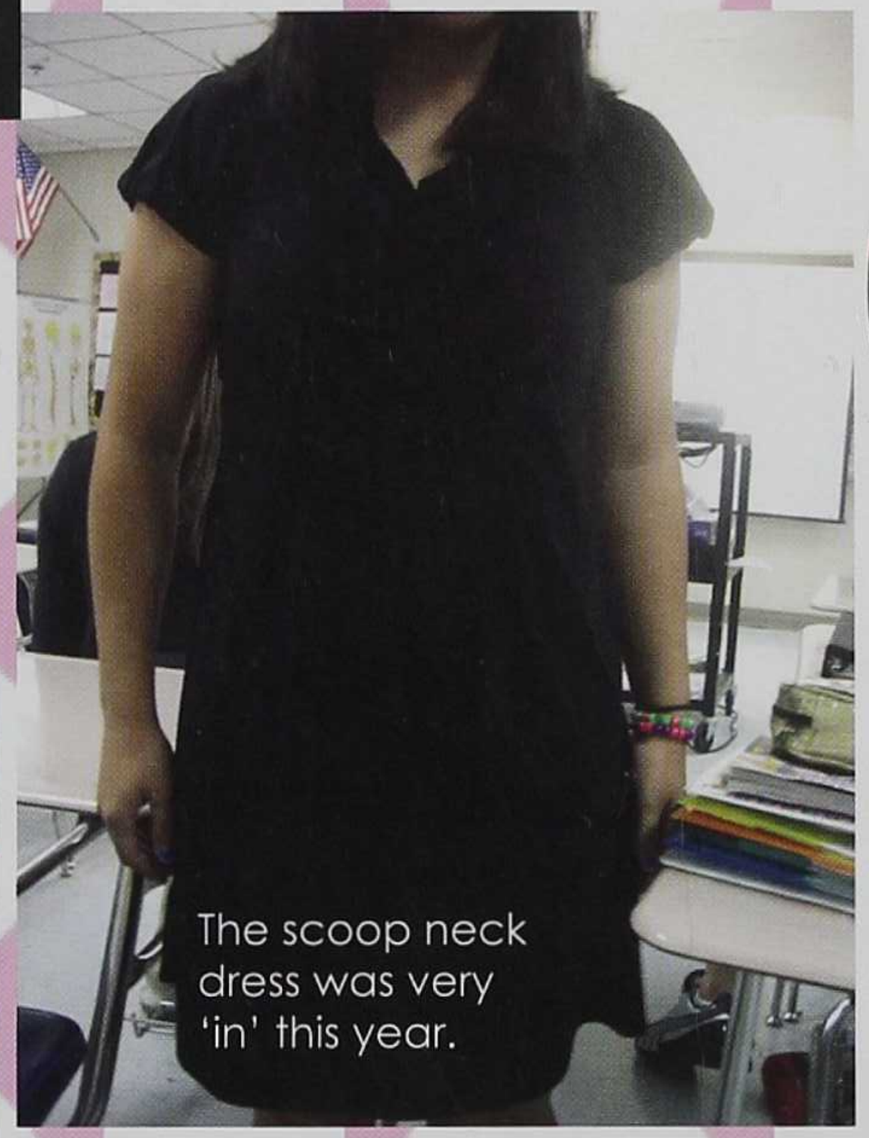
Trends



Junior Jackson Woodside and Senior Ben Taylor are always the height of cool in their skinny jeans.



The scoop neck dress was very 'in' this year.

What is a trend? "Its never being afraid to try something new or to be unique. I think that its important to wear what makes you feel good no matter what anyone else thinks", says Coach Smith. From purses to shoes, make-up to clothes, hair to jewelry, trends can be virtually anything. On this page, we have showcased 2008-2009's most popular trends.

LEFT: Zebra is totally in this year, shown by this purse and iPhone.

LEFT: Almost every person has a pair of white Vans in his or her closet.

LEFT: Clunky jewelry and peace signs were a couple of the most seen items this year.

Teacher Feature!

Ms. Worley

Ms. Worley has dedicated her life to teaching at Kennedale for 24 wonderful years. She has enriched the lives of many students; inspired, nurtured, and cared for all the pupils that have been in her class. When asked, Ms. Worley couldn't pick a favorite subject to teach, instead replying that "my students are my favorite thing to teach." In her 24 years here. Ms. Worley has taught a multitude of subjects: U.S. History, World History, Geography, Psychology, Sociology, plus, one special year, Current Events/American Culture (which she really liked because they did family trees). She wouldn't own up to having a favorite class, instead insisting that "the individuals in the classes make them all great." Every year Ms. Worley looks forward to the Scholarship Auction (because of how hard the students work) and Homecoming Hall decorations (she enjoys the creativity). When asked, "Why Kennedale? Why this little town?", she replied, " It was the only school that would hire me...no, just kidding! I wanted to work in a small safe school." I'm sure that all of her past, present, and future students are very glad that she chose us.

Endeavor & Persevere

This season's Kennedale Wildcats were at one point predicted to be the underdog. However, they overcame many challenges along the road and rose to the top. In fact, they had a winning regular season record and went on to win the Region 2 Bi-District Championship. The KHS student body is very proud of their successes and wishes them future glory.

The KHS Lady Kats are definately a team to be proud of this year! They made it to playoffs, competing in the Area Finals. This is all thanks to the excellent coaching styles of Coach Padgett and amazingly talented players. Kate Cassell and Allyson Reed made First Team All-District. Allie Esquivel made Second Team All-District. Lauren Woods was named Blocker of the Year. Passer of the Year was awarded to Megan Burgess, and Kendel Capshaw was named Newcomer of the Year!

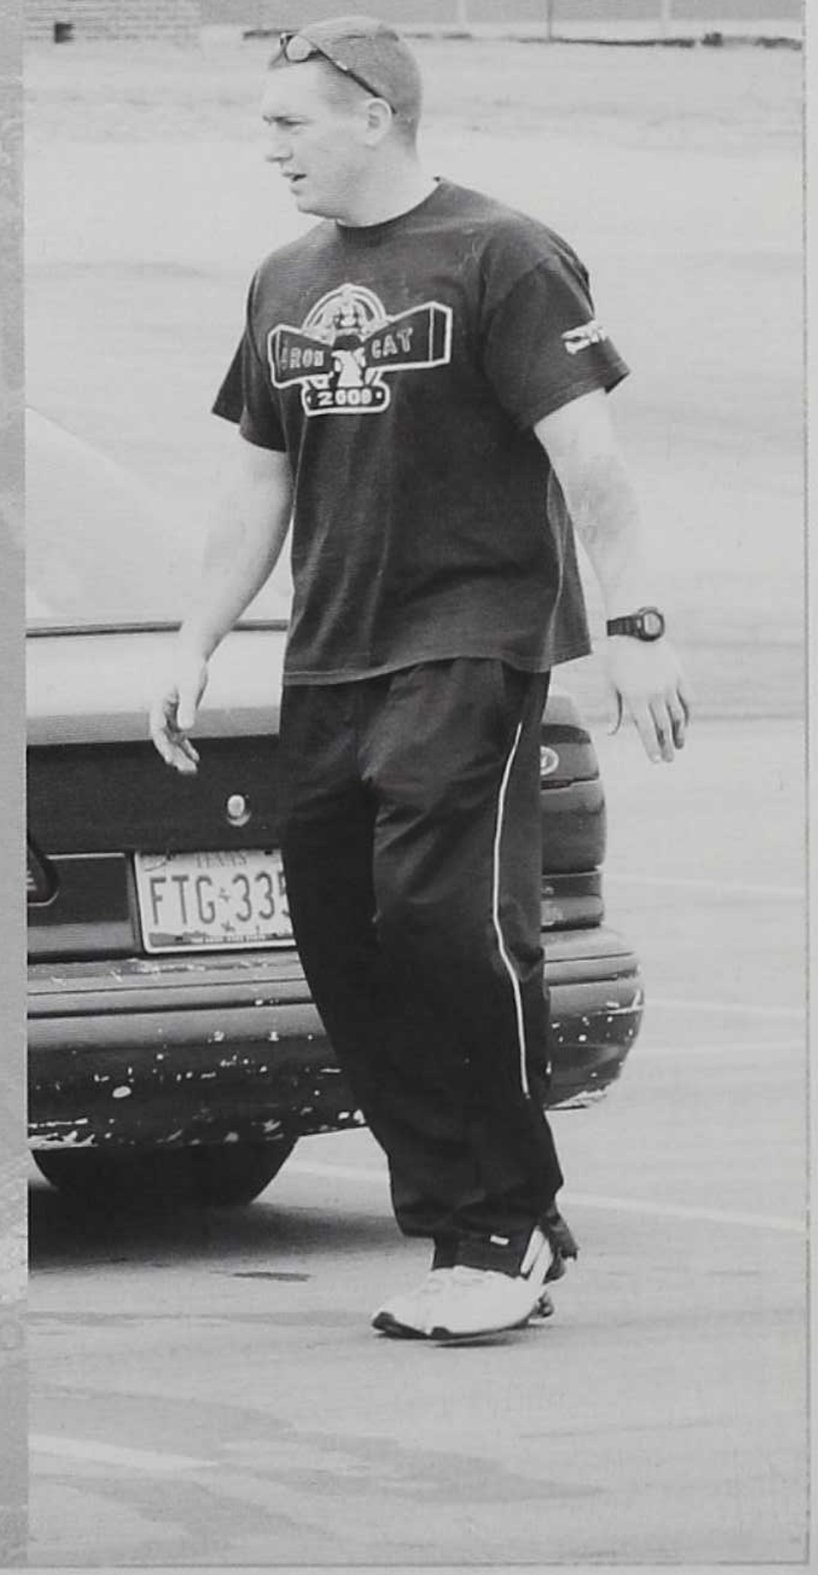
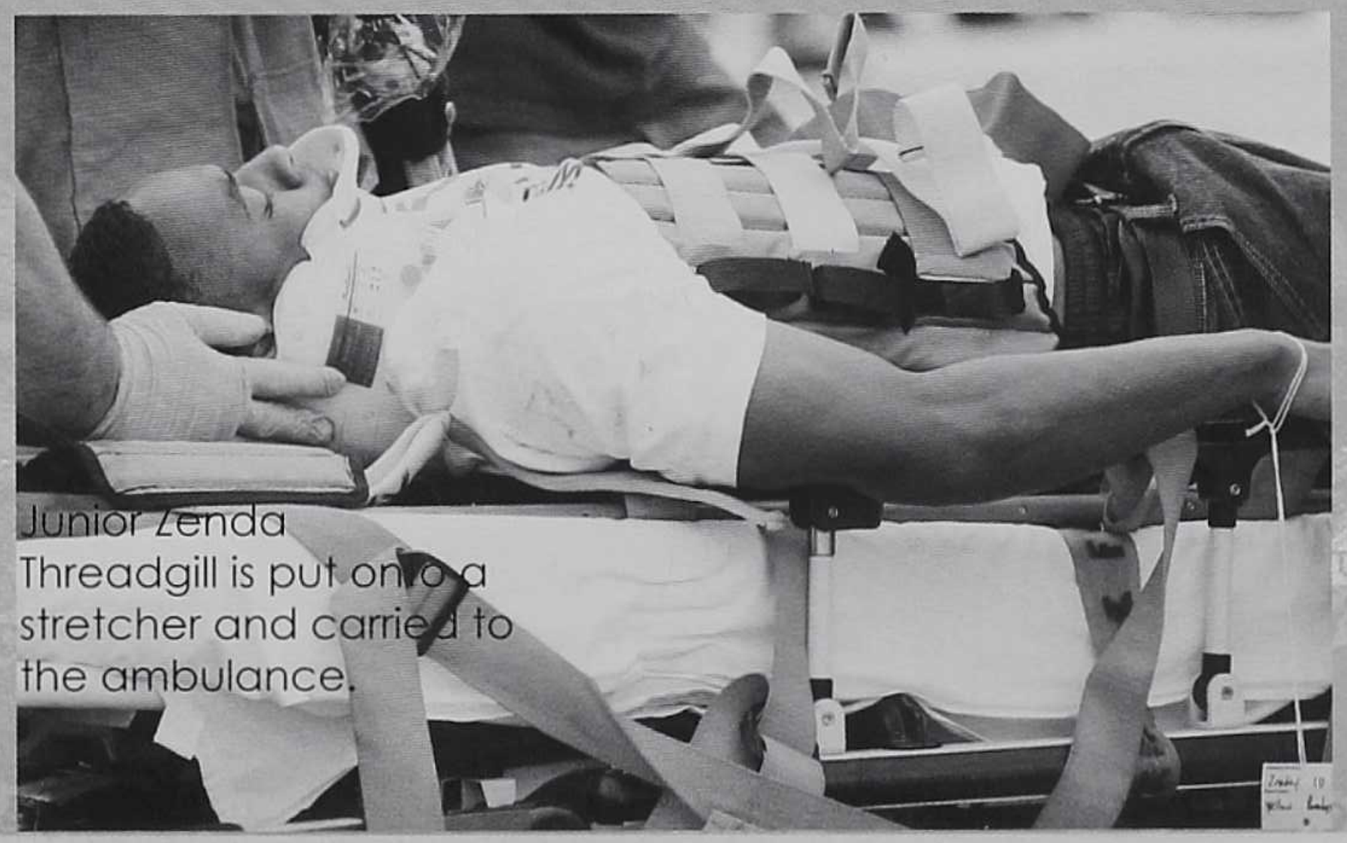
LIFE WASTED

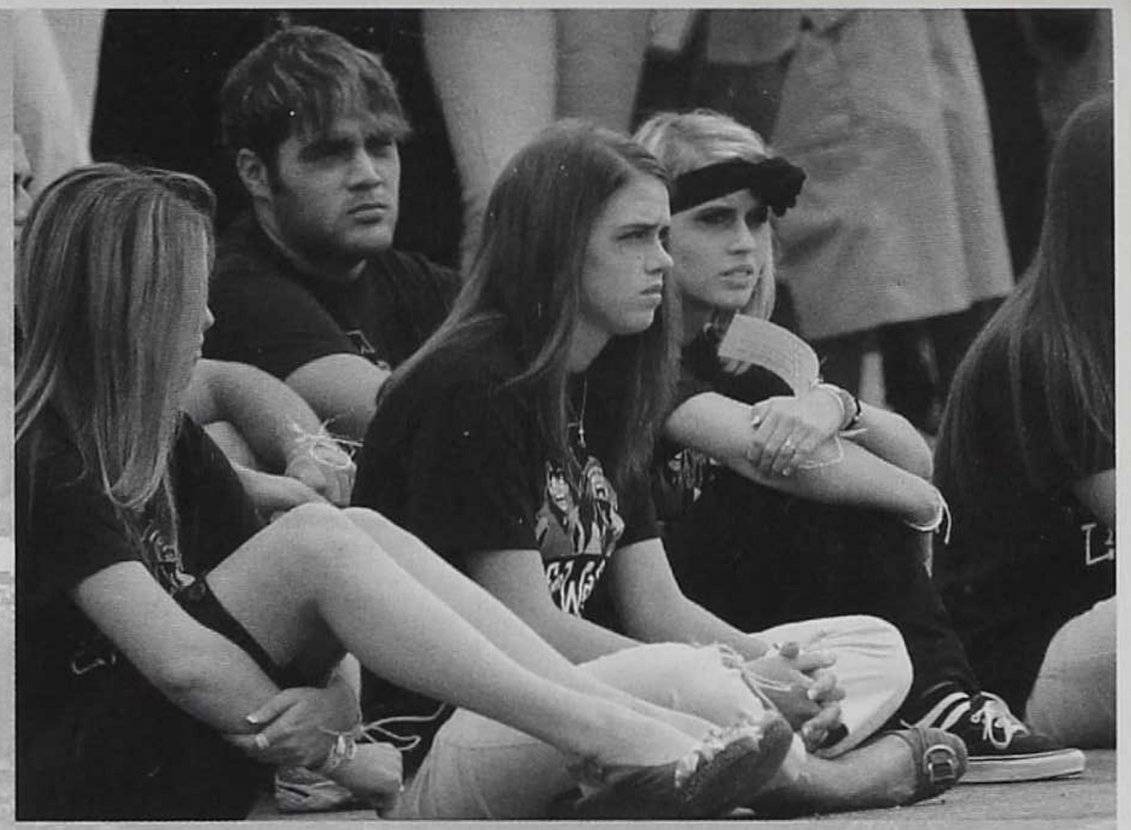
The 2009 Wasted program had a huge effect on the KHS student body. The participants of the program went to the South Oaks Baptist Church for the retreat. Kennedale's own Coach Barret spoke to the participants, along with representatives from M.A.D.D. (Mothers Against Drunk Driving. The parents of the participants were supposed to write a heartfelt "Last Letter" to their children, as if they were talking to them in the grave. Junior Victoria Pearce read her letter to the student body at the Wasted Assembly. A special thanks to all the participants for making KHS more aware of the dangers of drinking and driving.



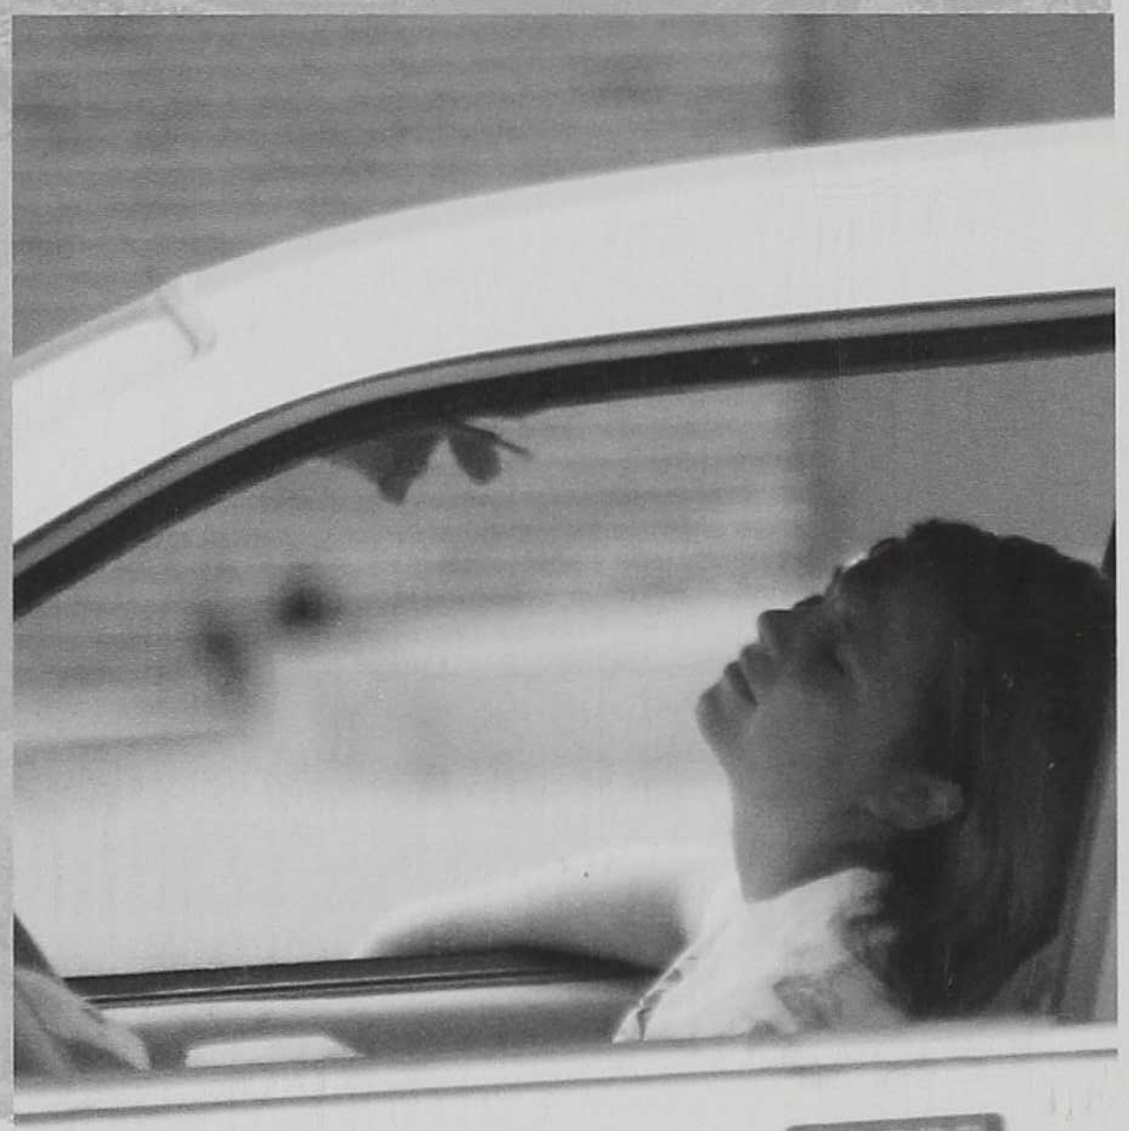


Junior Zenda Threadgill is put on to a stretcher and carried to the ambulance.

"Exemplifying Excellence"



Senior Josh Deaver, who was a part of the "Living Dead", is carried off by a stretcher while his obituary is read.



Senior Sheri Snell was in the passengers seat when the cars crashed, she later died at the hospital.

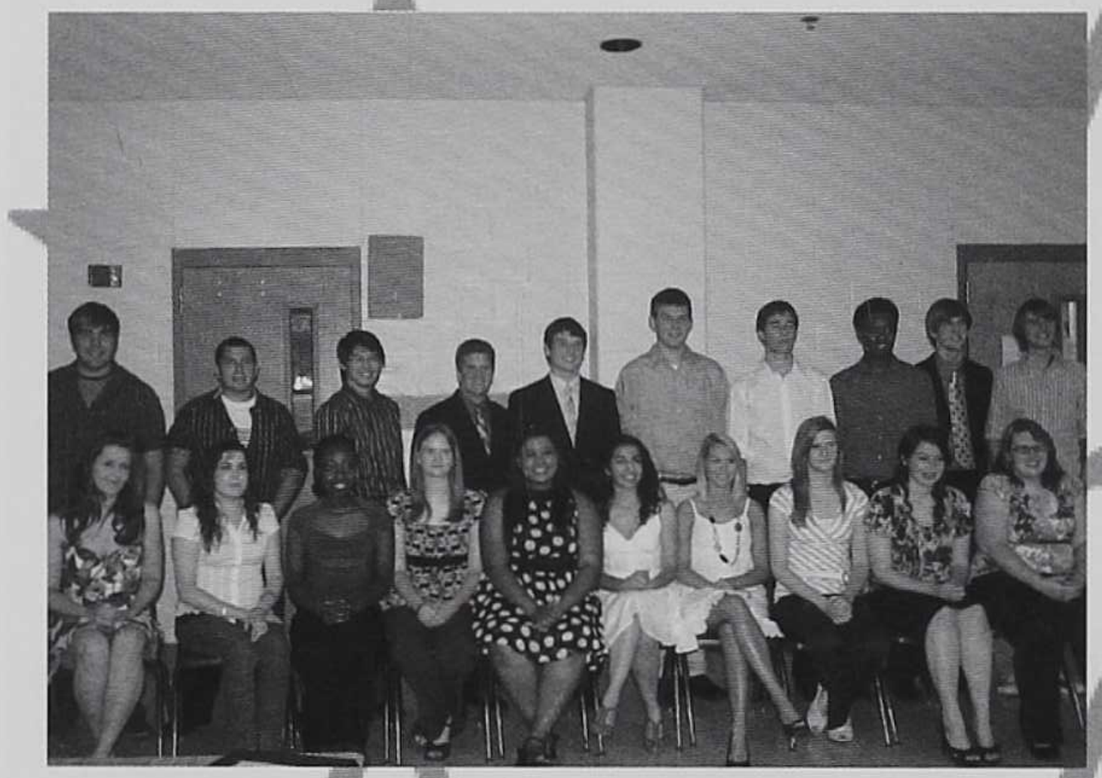
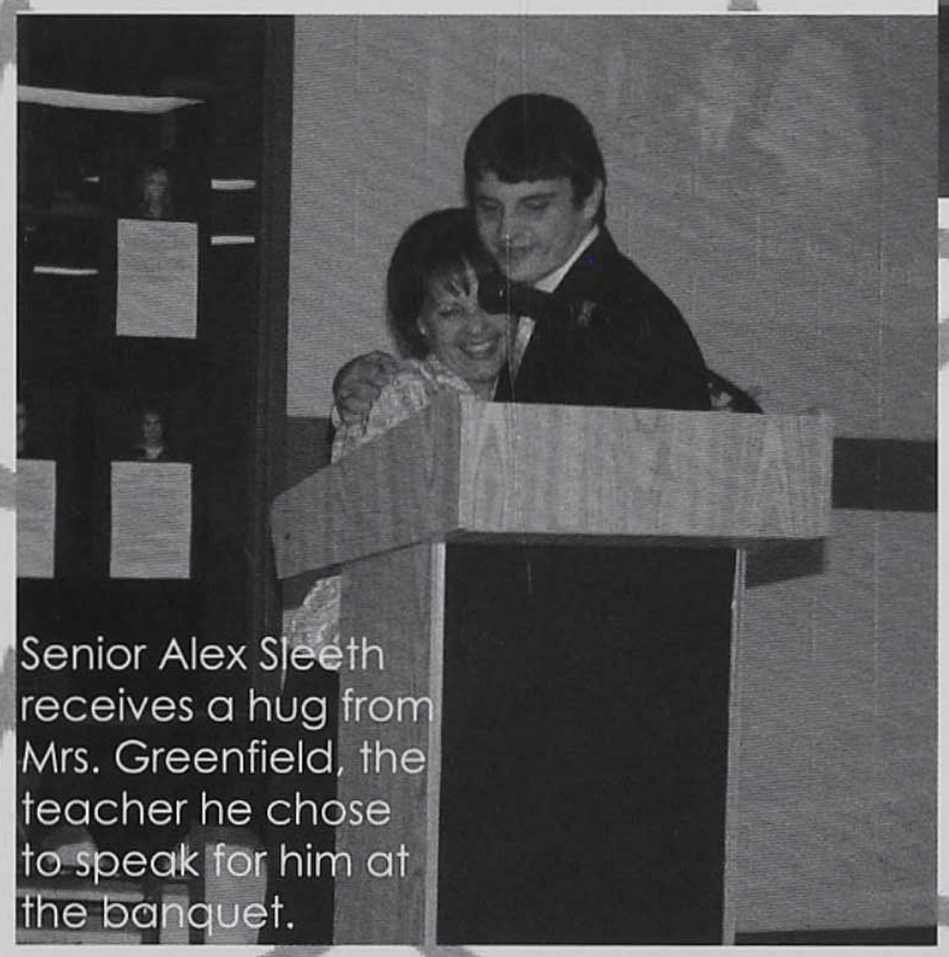
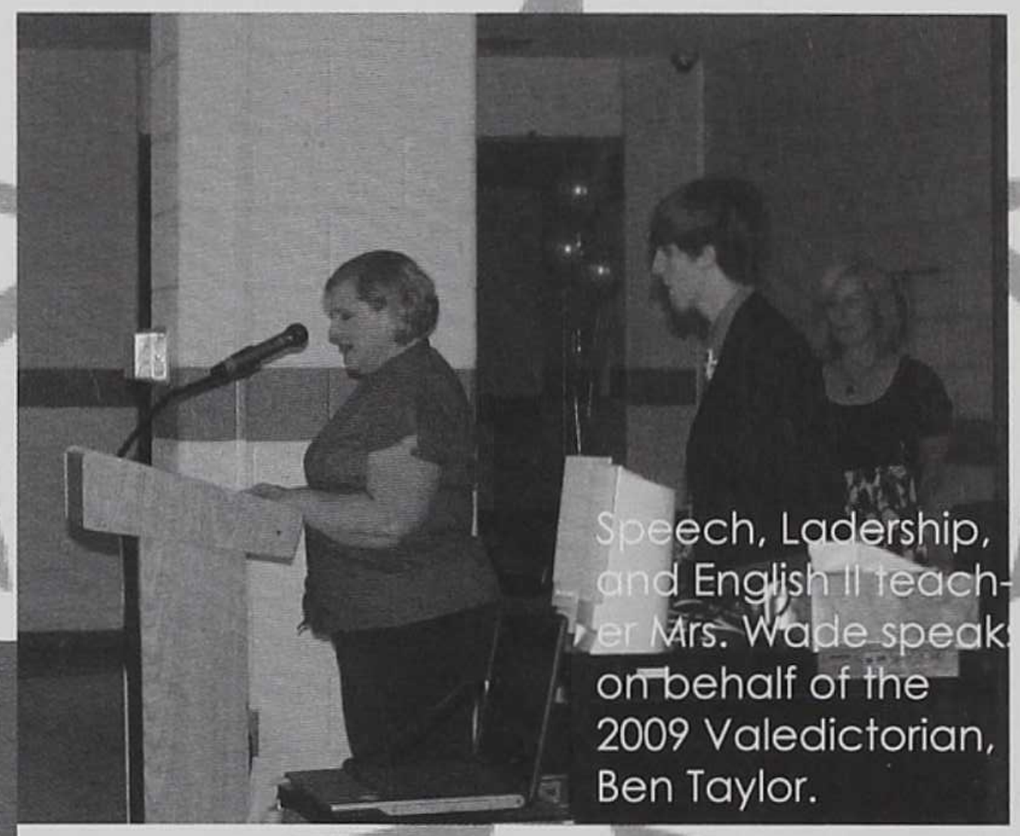
Top Ten Percent Banquet

This year, the KHS faculty put together a banquet to congratulate the top ten percent of the KHS graduating class. For the banquet, the graduates got to pick their favorite teacher from their KHS schooling. The teachers then had to write a speech about the student. The banquet was a very special moment for the students and teachers.





Senior Alex Sleeth receives a hug from Mrs. Greenfield, the teacher he chose to speak for him at the banquet.



Speech, Ladership, and English II teacher Mrs. Wade speaks on behalf of the 2009 Valedictorian, Ben Taylor.

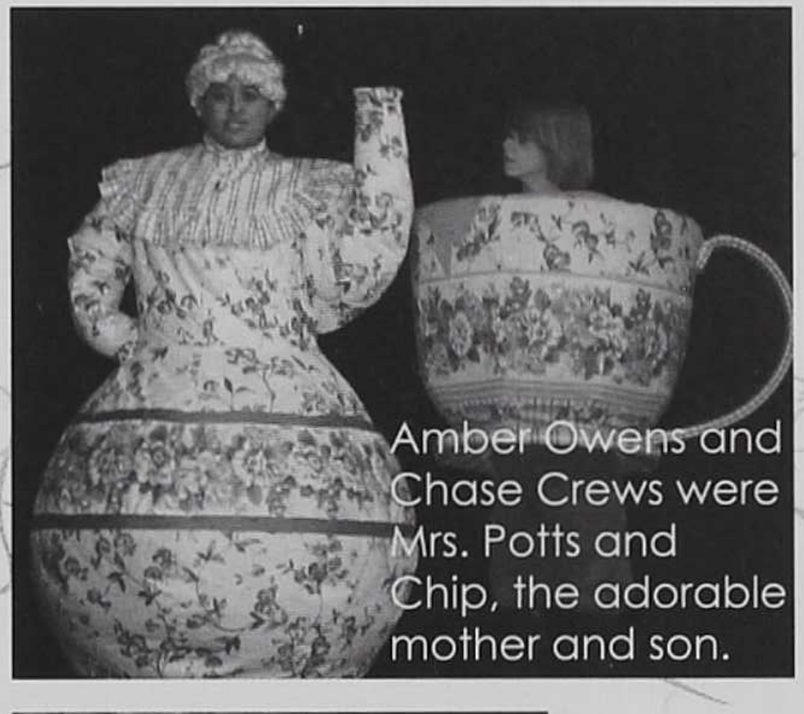
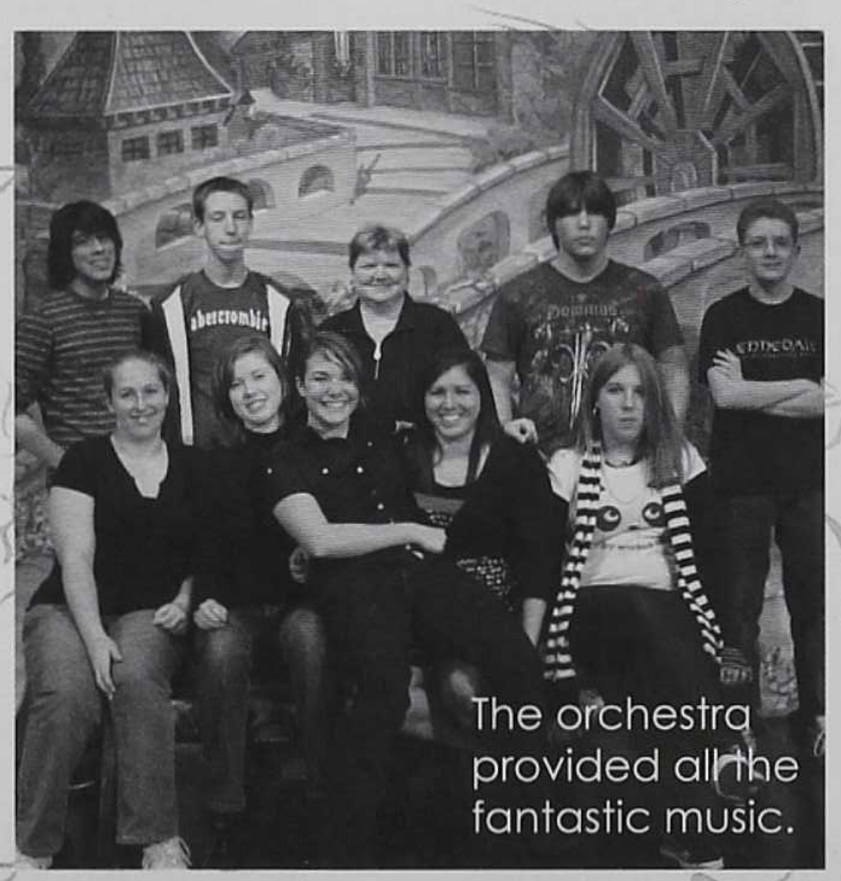
Beauty and the Beast

"...Tale as old as time, song as old as rhyme, Beauty and the Beast." After 4 months of hard work, the cast and crew of Beauty and the Beast were finally ready to put on an "perfect" performance. For three days straight young and old entered Kennedale's new Performing Arts Center to see the biggest production put on by Kennedale High School's theatre department. Beauty, played by Ceara Swille, was amazing as was Wes Parker in the role of the Beast. This outstanding show was directed by Doug Parker and music was led by Hanson.

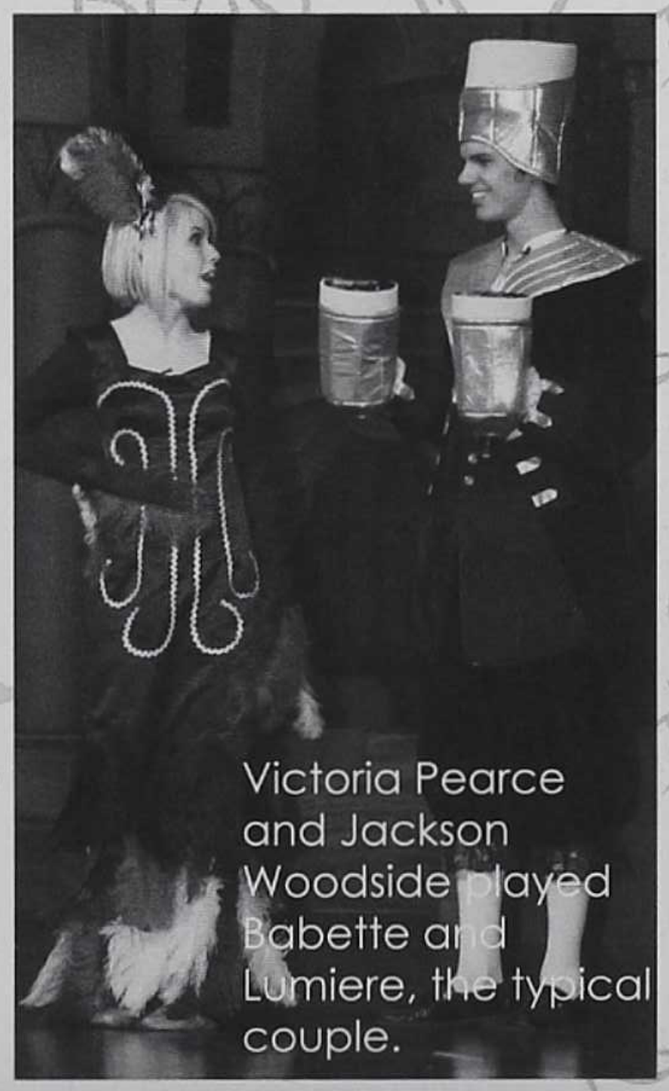
Captured in a pivotal moment of the play, Wes Parker and Ceara Swille grow closer as Beauty and the Beast.



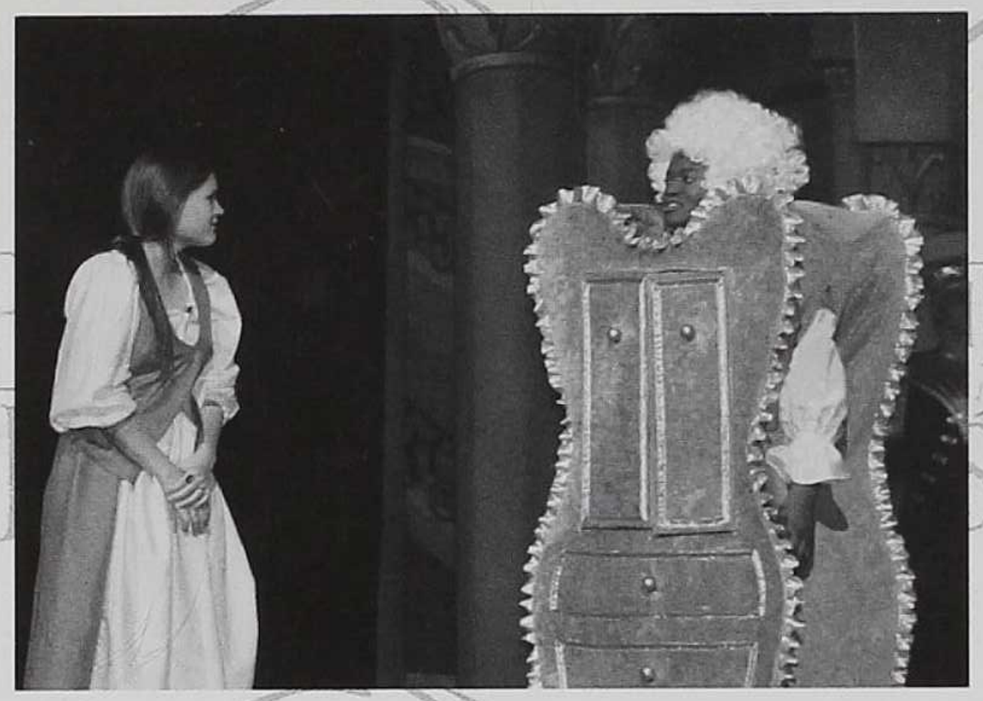
Amber Owens and Chase Crews were Mrs. Potts and Chip, the adorable mother and son.

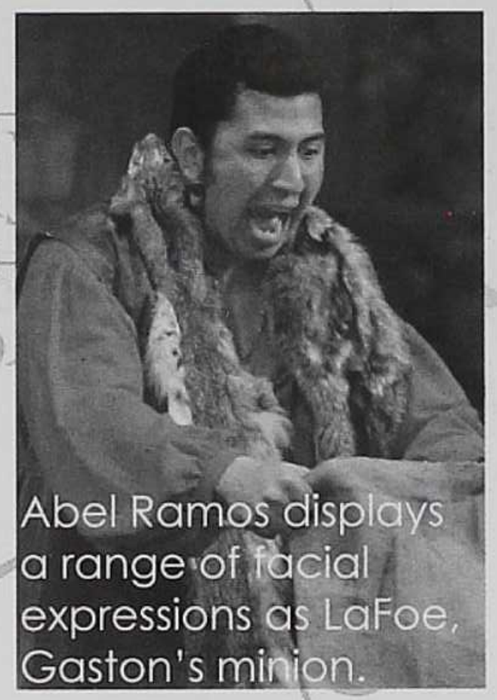


The orchestra provided all the fantastic music.

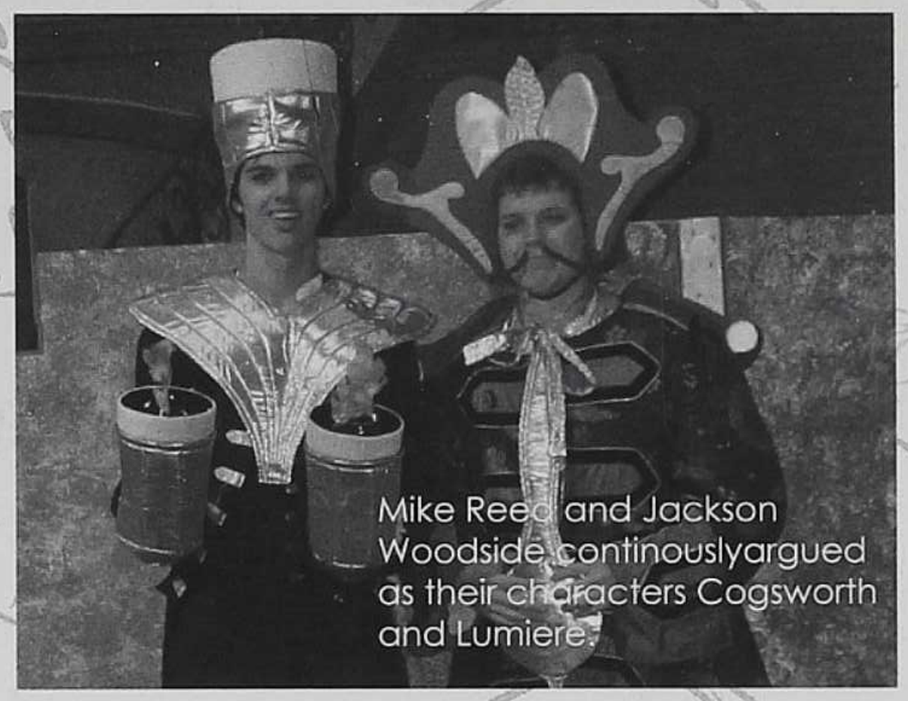


Victoria Pearce and Jackson Woodside played Babette and Lumiere, the typical couple.





Abel Ramos displays a range of facial expressions as LaFoe, Gaston's minion.



Mike Reed and Jackson Woodside continouslyargued as their characters Cogsworth and Lumiere.

Seniors Wes Parker and Ceara Swille share a dance in Beauty and the Beast.

The Twilight series, one of the most popular books of 2008, all started with the first book Twilight. Stephanie Meyer created this masterpiece from the simple idea "The lion fell in love with the lamb." This idea came in a dream, and was then published in six months. The books have become an international hit among teens. This is one book series that's here to stay!

Leading the Wildcats to "Go Green!"

On a 28 degree day, nobody in their right mind wanted to be outside. However, KHS's Leadership Class braved the elements for three hours to plant trees in order to try and make our already outstanding school a better place. Thanks to them, Kennedale is a making an effort to go green.
